ROY LAKE STATE PARK

NEW IN OUR STATE PARKS

INDOOR FISH CLEANING STATION

Anglers and hunters visiting Roy Lake State Park now have access to a brand-new indoor game and fish cleaning station. It offers a convenient space to clean your catch after a day on the lake. Open 24 hours a day during the winter season, the station is in the same building as the park store. This is steps away from the modern cabins and suites.

ROY LAKE STATE PARK TRAIL SYSTEM

Roy Lake is excited to offer a brand new grassy trail system that winds through a beautiful prairie and scenic lakeshores. Beginning at the west picnic shelter, Ranger's Route Trail stretches 2.7 miles connecting Roy Lake and Bullhead Lake with lookout points perfect for wildlife viewing. The shaded Backwoods Trail finds its way to Prairie Walk where it connects the outer perimeters of Ranger's Route. The system has more than three miles of natural prairie beauty, multiple picnic opportunities, and lookout points complete with benches for relaxing.

PELICAN LAKE WELCOME CENTER

For many years, staff for Pelican Lake Recreation Area and the surrounding District 3 parks have been officed near downtown Watertown, ten miles from the park's entrance. With the opening of the new welcome center, the park offices have relocated to the entrance of Pelican Lake Recreation Area, improving year-round customer service, operations management, and recreational programming for this growing state park.

PARK PROGRAMS

PARK RX

It's no secret that a healthy dose of fresh air provides actual medical benefits for the human body. Did you know your health care practitioner can write you a Park Prescription? The prescription is redeemable for a free one-day pass to any South Dakota state park or a discounted annual pass for year-round activity.

Regular, outdoor exercise is proven to benefit both physical and mental health, and it doesn't take a big investment of time to make a big difference. Not only does it get the heart pumping and the body moving, even light outdoor exercise can improve cognitive development, reduce stress, and improve your mood.

Talk to your doctor today to see if they participate in the South Dakota Park Prescription program. If not, it's easy for them to sign up and start writing prescriptions.

Conversation starters for doctors and patients:

Weekly Physical Activity
This is a chance for patients to share their current activity level and for doctors to suggest some small, simple changes to help people get more active.

Family Activities
What does the patient's family like to do together on a regular basis? If quality time often means TV time, the physician can offer tips to get the whole family more active. What if commercial breaks turned into a fitness break?

Aspirational Activities
What are the patient's goals? Run a 5K? Climb stairs easily? Longer playtimes with grandkids? When physicians understand their patients'

motivations, they can work together to set achievable goals and a plan to reach them.

GO FOURTH

Since 2015, the South Dakota Game, Fish and Parks has partnered with the Department of Health to administer the Go Fourth program. Go Fourth aims to get fourth graders and their families outside and active with the overall goal of improving the health of South Dakota youth and their families. All fourth grade students are eligible.

The Go Fourth pass is redeemable for the student's choice of three state park discounts:

- A free daily entrance license
- Half off one annual entrance license
- A free 3-year subscription to the *Conservation Digest*

Students also receive a coupon for a free one-hour equipment rental, where available. The Go Fourth and rental coupon are redeemable until December 31 of the issuing year.

We encourage students to go forth and create healthy habits, try new activities, and enjoy nature with their families.

Receiving your pass

Passes are typically distributed in March and April, either through the school office or through a classroom visit by GFP staff.

Parents of homeschool fourth grade students should contact a state park administrative office or email *parkinfo@state.sd.us*. Please include your student's name and your mailing address so we can determine eligibility. Any South Dakota student who is a fourth grader in the 2025-2026 school year is eligible for the 2026 program.

Redeeming your pass

You can redeem your Go Fourth pass at any South Dakota State Park or Recreation Area.

CHECKOUT SD

In partnership between the South Dakota Department of Education and Game, Fish and Parks, library card holders may check out a three-day state park vehicle pass at their local, participating public library. The Check Out South Dakota State Parks library park pass is valid for entry of one passenger vehicle into any South Dakota State Park, Recreation Area, or Nature Area.

How does it work?

Contact your local library to Check Out South Dakota State Parks. If you don't have a library card, visit your local library to get one. The library card and the pass checkout are free!

During your park visit, visibly display the vehicle park entrance license on your vehicle's rearview mirror. Make sure to return the vehicle park pass to the library for others to Check Out South Dakota State Parks, and complete the survey about your experience.

Participating Libraries

View the list of participating libraries at *library.sd.gov/sdstateparks/participating.aspx*.

Don't see your local library listed? Contact your library to request their participation.

GUIDELINES AND REGULATIONS

CAMPING

» Camping is permitted only in designated areas.
» One camping unit permitted per site.
» Electrical hook-ups are available only to campers registered on an electrical site. Extension cords may not be run from one campsite to another.
» No person may camp at a designated campground site for more than 14 consecutive nights without written permission.

BACK-IN CAMPSITES

» To avoid damage to grass and confusion on park roads, campers must back-in to all campsites unless they are designated as pull-through sites.

RESELLING CAMPSITES

» Reselling campsites is prohibited.
» Campers who cannot make a scheduled stay can transfer the reservation to another date or another park at no extra cost. If upgrading, the difference in fees will apply. Transfers can only be done by calling 1.800.710.CAMP. Specify that you wish to transfer your reservation to avoid a cancellation fee.

A **CAMPING UNIT** is any one hard-sided camper and/or one or more tents, if all occupants meet the definition of family (parents or grandparents and their minor children) or do not exceed six people.

DECORATIVE LIGHTS

» Those who set up outdoor lights while camping, such as laser light projectors, are asked to be courteous to fellow campers. Please turn them off between 11 p.m. and 6 a.m.

VEHICLES

» Motor vehicles must stay on established roads and parking lots.
» Only vehicles licensed to operate on public roads are allowed to operate on park roads.
» A valid park entrance license must be affixed to the vehicle in designated fee areas.
» Mopeds, scooters, and golf carts that are not registered for public road use may operate on park roads if they are equipped with safety equipment required by state law. A valid park entrance license is required. For more information, visit *gfp.sd.gov* and search "off-highway vehicles."

PARK HOURS

» Park hours are 6 a.m. to 11 p.m.
» Between the hours of 11 p.m. and 6 a.m., parks are open to registered campers only. Quiet hours are in effect during this time. A person may not cause unreasonable disturbance to others in park areas. Please be considerate while camping.

PETS IN THE PARK

» Keep pets on a leash no longer than ten feet at all times while in the campgrounds and near other visitors.

» Leashes can be removed if in a remote area and more than 200 feet from other visitors. However, pets must be kept under immediate control.
» Pets are not allowed in comfort stations and visitor centers. Service animals are allowed.
» Dogs and cats are allowed in pet-designated lodges, cabins, and suites for a $10 fee. A list of pet-friendly cabins is available at *gfp.sd.gov/camping-regulations*.
» Owners must clean up after their pets. A cleaning or replacement fee may be charged for pet damage to park facilities.
» Pets are not allowed on designated swimming beaches. Pets are welcome to swim in other areas.
» Please do not leave pets unattended.

SPECIAL EVENTS

» Visitors are welcome to host special events like reunions and meetings in a state park. Please fill out the special events form at *gfp.sd.gov* or contact the park directly.

PARK ENTRANCE LICENSES

» Customers can buy a park entrance license online at *campsd.com,* at any state park or regional Game, Fish and Parks office, or at a self-service kiosk located at parks.
» A Game, Fish and Parks office will replace an annual park entrance license at no cost if the original is removed from the windshield and sufficiently displays the serial number.

FREE ENTRANCE
FOR MILITARY GROUP EVENTS

Park entrance licenses and Mickelson Trail passes are not required for past and present military personnel participating in an eligible military group event. This includes South Dakota military veterans, members of the South Dakota National Guard and military reserve units, patients of veterans' hospitals in South Dakota, and family members and guests attending the event.

To host a military event in a state park, complete the special event application at *gfp.sd.gov*. For more information, call 605.773.3391.

GUIDELINES AND REGULATIONS

FIRES AND FIREWORKS

» Campfires are allowed only at designated campsites and in approved fireplaces, stoves, or grills.
» All types of fireworks are prohibited on state-managed lands.

FIREWOOD RESTRICTIONS

» Collecting firewood is prohibited.
» Smooth dimensional lumber scraps are acceptable if sized to fit within the firegrate. Wood containing nails, screws, or hardware - including rough and pallet lumber - cannot be brought into any state park area to be used as firewood.
» No out-of-state firewood is allowed in state parks and recreation areas due to the threat of bug infestations.
» Do not bring wood that has been within the emerald ash borer quarantine area into any South Dakota state park unless it has a label affixed certifying it as emerald ash borer treated and safe to move.
» In parks located within the quarantine area, outside firewood must have a label affixed certifying it as emerald ash borer treated and safe to move.
» Firewood is available for purchase in the parks or from local stores outside the quarantine area.
» If you purchase firewood from a state park within the quarantine area, do not remove it from the park.

Restrictions may change. Ask park staff or visit *gfp.sd.gov* for the most current information. Visit *EmeraldAshBorerInSouthDakota.sd.gov* to learn what else you can do.

DISABLED VETERAN PASS

Any South Dakota resident who meets one of the following criteria may apply for a free lifetime park entrance license and half-priced campsites and camping cabins:

» A veteran's allotment for a total disability which is deemed a service-connected injury.

» The recipient of the United States Veterans Administration "K" Award.
» Was held as a prisoner of war.

Apply online at *gfp.sd.gov*.

HUNTING IN PARKS

» Hunting, with restrictions, is allowed in state parks between October 1 and April 30. Details can be found in the current *Hunting and Trapping Handbook*. Additional opportunities may also be available in designated areas of select state parks in September and May. Visit *sdgfp.maps.arcgis.com* or contact the park for details.

SWIMMING BEACHES

For the safety of swimmers, designated swimming beaches do not allow:

» Glass
» Boats, including kayaks, canoes, and paddleboards
» Pets
» Fishing

Please look for other areas that accomodate these activities.

AQUATIC INVASIVE SPECIES

To help slow the spread of zebra mussels and other aquatic invasive species in South Dakota, it is important to practice CLEAN, DRAIN, DRY:

» All trailered boats must have all drain plugs, bailers, valves, and other devices used to control the drainage of water opened or removed, except while in a boat ramp parking area or while being launched or loaded.

OTHER RULES, REGULATIONS, AND PROCEDURES MAY BE POSTED AT THE PARK.

» Aquatic bait and fish may not be transported outside of a boat ramp parking area in raw water taken from a lake, river, or stream. Aquatic bait can be transported in domestic water (tap water, well water, bottled water, ice). Most domestic water must be treated to remove chlorine prior to putting bait in it.
» Anglers may transport fish still in raw water to an adjacent fish cleaning station. If no cleaning station is available, aquatic bait must be disposed of in trash containers or transported in domestic water and all plugs must be pulled before travel.
» Unused bait should be poured into the fish grinder at a cleaning station or drained and disposed of in the trash. It is a violation of state statute to dump unused minnows into a water body.

For more information, visit *SDLeastWanted.sd.gov*.

COMMERCIAL USE

» A person may not engage in commercial activities or solicitation without written permission.

NATURAL, CULTURAL AND HISTORICAL RESOURCES

» No person may take, disturb ,or destroy natural, cultural, or historical features in the park.
