

# **SPECIAL CANADA GOOSE**

The 2022 Special Unit Canada goose season was open from October 15 to December 18 in Bennett County. To hunt this resident-only season, hunters were required to hold small game, 1-day small game, senior or adult combination, or youth small game licenses plus a migratory bird certification, and for those hunters aged 16 and over, a federal waterfowl stamp. Additionally, hunters must have applied for and received a Special Canada goose license for that specific unit. Each license allowed the hunter to harvest 3 geese and individuals could have up to 3 licenses for the season, if licenses were left after the 2<sup>nd</sup> deadline drawing. A total of 161 hunters received multiple licenses for the 2022 season, including 76 hunters who received the maximum of 3 licenses each.

In 2022, there were 429 residents licensed to hunt the Special Canada goose season. All license holders who provided email addresses when applying for their license were surveyed and 210 responses were received for a response rate of 49%.

From the survey responses, there were an estimated 480 Canada geese harvested for an average bag of 1.12 per license holder. Of the 210 hunters who responded to the survey, 70 (33%) indicated that they hunted during this season. When asked their satisfaction on the season, (1 being least satisfied, 7 being most satisfied), hunters reported an average rating of 5.39.
