41:03:03:08 Fees for special events.

41:03:03:02. Display of park entrance license. A park entrance license must be affixed to the lower right-hand corner of the motor vehicle windshield by applying the adhesive backing of the license directly to the inside of the windshield. A park entrance license may not be transferred from one motor vehicle to another. Unless otherwise directed by a department representative, the operator of a motorcycle, moped, scooter, all-terrain vehicle or golf cart must have the park entrance license affixed by applying the adhesive backing of the license directly to the ~~motorcycle~~ motor vehicle or have the motor vehicle license or serial number visibly recorded with permanent marker on the face of the park entrance license and available for inspection at all times while in a park area requiring a park entrance license fee.

When the motor vehicle is not in operation, the transferable park entrance license must be conspicuously hung on the rearview mirror of the motor vehicle. When the motor vehicle is in operation in a park, the transferable park license must be placed where it is visible on the dash of the motor vehicle. As an alternative to the above, the operator of a motorcycle, moped, scooter, all-terrain vehicle or golf cart shall make the transferrable park entrance license available to park staff for inspection upon request.

41:03:03:03.01. Park entrance license exemptions. Park entrance license exemptions are as follows:

(1) Any person visiting any camper assigned to the Youth Forestry Camp in Custer State Park and using none of the other park facilities shall be issued a pass exempting the vehicle from the park entrance license requirement;

(2) A person who enters a state park or state recreation area in volunteer service to the park or as a volunteer worker with an assigned role at an event requiring a special permit pursuant to § 41:03:01:04 is exempt from payment of the daily park entrance license fee if the person has received a special free park entrance license from the secretary;

(3) A park entrance license is not required at Custer State Park on the day of the fall buffalo roundup and on the day of the annual buffalo auction;

(4) A recreational motorhome towing one other vehicle is considered one unit and must purchase only one park entrance license. The second vehicle will be issued a free park entrance license that is dated to expire on the last day of the visitor's stay;

(5) A park entrance license is not required for a resident nonprofit youth group that enters a state park or state recreation area if the group obtains an approved nonprofit youth group permit from the park manager or a designee before entering the park. The park manager or a designee shall issue special free park entrance licenses to vehicles used by the youth group. The nonprofit youth group must obtain the permit not less than five days prior to entering the park; and

~~(6) A park entrance license is not required for any moped powered by a combustion engine with a maximum piston or rotor displacement of 50 cubic centimeters.~~

A South Dakota resident who is entitled to a free lifetime park entrance license as provided in SDCL 41-17-13.4 shall fill out a form provided by the Division of Parks and

Closed areas. The light goose hunting season is open statewide for 86 consecutive days beginning on the last Saturday of September. A Conservation Order is open statewide for 79 consecutive days beginning on the 106th day from the Saturday closest to November 1. Only light geese, as defined in § 41:06:16:06.01, may be taken during a Conservation Order. As used in this article, a Conservation Order is a Congressional Order which amends the Fish and Wildlife Service regulations based on a 1999 Congressional action (Pub. L. No. 106-108,) effectively reinstating regulations intended to reduce the population of mid-continent light geese (MCLG). The law authorizes the use of additional hunting methods (electronic calls and unplugged guns) to increase the take of MCLG. As a result, a Conservation Order for the reduction of the MCLG population was authorized.

Additionally, an August Management Take for the taking of Canada geese is open to South Dakota residents ~~for 23 consecutive days~~ beginning on the first Saturday of August to August 31, inclusive, in the counties of Brookings, Brown, Clark, Codington, Day, Deuel, Hamlin, Hanson, Hutchinson, Grant, Kingsbury, Lake, Lincoln, McCook, Marshall, Minnehaha, Miner, Moody, Pennington west of the Cheyenne River, Roberts, Spink, Turner, and Union.

The white-fronted goose season is open statewide for 86 consecutive days beginning on the last Saturday of September.

The dark goose season is open statewide as specifically provided for in this section and the special Canada goose hunting units in § 41:06:16:08:

(1) Unit 1: the counties of Campbell, Marshall, Roberts, Day, Clark, Codington, Grant, Hamlin, Deuel, Walworth, that portion of Dewey County north of Bureau of Indian Affairs Road 8, Bureau of Indian Affairs Road 9, and the section of U.S. Highway 212 east of the Bureau of Indian Affairs Road 8 junction, that portion of Potter County east of U.S. Highway 83, that portion of Sully County east of U.S. Highway 83, portions of Hyde,
