

GAME, FISH AND PARKS COMMISSION ACTION PROPOSAL

Archery Deer Season Chapter 41:06:22

Commission Meeting Dates:	Proposal	March 6-7, 2014	Ft. Pierre
	Public Hearing	April 3, 2014	Oacoma
	Finalization	April 3-4, 2014	Oacoma

COMMISSION PROPOSAL

Recommended changes from last year:

1. Amend the start date for the archery deer hunting season from the fourth Saturday of September to the second Saturday of September and eliminate that portion of the season which currently runs from January 1-15.

	Start Date	End Date
Current Season Structure	Fourth Saturday of September	January 15
Proposed Season Structure	Second Saturday of September	December 31

SUPPORTIVE INFORMATION

An interested party petitioned the Commission to propose these amendments for the reasons that such changes would provide bow hunters who hunt public land extra time to do so before the various waterfowl and pheasant seasons begin and provide bow hunters a limited combination hunt for antelope and deer.
