BIGHORN SHEEP

This was the twelfth year bighorn sheep licenses were made available outside Custer State Park. The 2011 season was open from September 1 through December 31. In addition to the traditional unit in Pennington County west of SD Highway 79, an additional unit 2 was created in 2008 in Custer County west of Highway 79 with one license available. There were 3,614 applicants for the three any-bighorn licenses (2,950 for unit 1 and 664 for unit 2). All hunters were surveyed and all were successful at harvesting a ram. They reported hunting 20 total days, an average of 6.7 days per hunter.
