HOME SCHOOL PROGRAMS

Nature awareness programs for all ages of home schooled children. The goal of this program is to introduce children to the outdoors in a fun, active and non-threatening educational environment.

Register for Home School Programs:

- Registration opens Wednesday, August 9 at 7 a.m. for home school programs.
- Pre-registration is required for all classes and programs.
- All participants must sign a waiver prior to attending class.

There are three ways to register for classes

1. Surf to our website at www.outdoorcampus.org
2. Sign up in person at The Outdoor Campus. We have a computer available for your use Monday through Friday from 8 a.m. to 5 p.m.
3. Call us at 605.362.2777

Cancellations

Many programs fill quickly. PLEASE call us or cancel on the website as soon as possible if you cannot attend a class. Thank you!

Fishing Fun!

Kids get a fun introduction to fishing and safety. This program has games, basic fish ID, casting practice and hands-on fishing at our pond. **Tuesday, October 3, 10 to 11:30 a.m.**

Trees and Leaves

Just as the leaves are changing color, join us to learn about how trees grow and how their leaves change with the season. **Friday, October 13, 1 to 2:30 p.m.**

Archery Basics

Join us and learn how to safely handle and shoot a youth sized bow and arrow. We will practice our aim on our 3-D animal targets and learn how to take an ethical shot. **Monday, October 16, 10 to 11:30 a.m.**

Spookalicious Outdoor Cooking

Boo! It's time to get spooky, and just in time for Halloween. In this class we will make Halloween themed food over the campfire, featuring mummies in a blanket. **Tuesday, October 31, 1 to 2:30 p.m.**

November

BB Guns and Air Rifle Basics

Learn about the basics of safely operating BB guns and air rifles. Spend the rest of the time on our range, practicing your shot. **Tuesday, November 7, 1:30 to 3 p.m.**

Orienteering and Map and Compass Skills

Join us as we go over the basics of using a compass and then put your skills to use on our orienteering trails. **Tuesday, November 14, 1:30 to 3 p.m.**

Fall Nature Hike

Exploring our trails is fun and exciting, especially in the fall. This hike will have you "falling" for the outdoors. **Tuesday, November 21, 10 to 11:30 a.m.**

Worm Dissection

Slide on your gloves and grab a scissors because this class is going to give you a deeper look at what is really inside a worm. **Tuesday, November 28, 10 to 11:30 a.m.**
