

Frontier Army Schedule – June 5-6, 2010

Help welcome the Frontier Army to Fort Sisseton. The military encampment is the result of the committed dedication and effort from re-enactors from across the heartland. Walk through the authentic military camp; watch the saber drills and foot-soldering. Located on the green, north of the North Barracks, this group welcomes questions and visitors. Gatling gun and cannon firing demonstrations will be done at the shooting range.

Saturday, June 5
