

# Oahe Downstream Archery Range

Competition Style Course with 14 Stations

\* Field Points except were designated

# Oahe Downstream Outdoor Archery Range Rules

- Only Target or Field points are allowed to be shot at the target butts. Shoot at target butts only.
- Broadheads are not allowed on the 14-station course or practice range. Use the broadhead target pit at entrance of range for your hunting points only. See signage.
- No firearms are allowed to be shot at target butts on this range.
- Archers must enter archery course as designated and follow all stations in numerical order. Entering the range other than designated can be extremely ***dangerous!*** Follow directional signage, shoot only from trail and view map for details.
- Caution - When looking for a lost arrow behind the target butts, always hang bow or something visible on the front of the target or have someone stand in front of the target.
- Please respect the outdoor range. Place any trash or refuse in proper containers.
- All archers are expected to practice proper safety at all times.
- No vehicles of any type are permitted on this range unless authorized by a SDGFP designated agent.
- Range is open during daylight hours **ONLY**.
