

LAKE VERMILLION RECREATION AREA

2025 POSITIONS AVAILABLE

CAMPGROUND HOST (ON SITE)

GFP.SD.GOV/VOLUNTEER

Lake Vermillion Recreation Area is home to 130 campsites, 9 camping cabins, 2 boat ramps, and – for the summer – three sets of campground hosts. The park is within a 30-minute drive of Sioux Falls and 7 minutes from Interstate 90, which means greeting new, friendly faces every day. The 512-acre lake features a number of great places to catch Walleye, Northern Pike, and Bluegill – but if relaxing near the water is more your speed, there is plenty of day use and picnic areas to enjoy as well. For those looking to get active in nature, there are hiking trails that run through flower-filled pollinator plots and wildlife areas that offer a sneak peak of nature. A summer hosting at Lake Vermillion presents an opportunity to give back to your community while enjoying time outdoors. Will you take up the call to volunteer in one of South Dakota's beautiful state parks?
