INTRODUCTION

The South Dakota Department of Game, Fish and Parks ("the State") seeks proposals for concession operations at Spring Creek Recreation Area ("the Park"). This Prospectus describes in general terms the existing businesses operations and the future business opportunities for the facilities and services required by the State. Offerors are responsible for reviewing all sections of this Prospectus and, specifically, the terms and conditions of the attached Draft Concession Agreement, including its exhibits, to determine the full scope of a future concessionaire's responsibilities under the Draft Concession Agreement. The State is conducting this solicitation under the authority of ARSD 41:13 - Park Concession Leases. In the event of any inconsistency between the terms of this Prospectus and Draft Concession Agreement, the Draft Concession Agreement will prevail.

The term "concessionaire" as used in this Prospectus refers to the entity that will be the concessionaire under the Draft Concession Agreement. The term "existing concessionaire" refers to Spring Creek Ventures, LLC. ., the concessionaire under the existing concession contract ("Existing Lease").

Our mission is to provide sustainable outdoor recreational opportunities through responsible management of our state's parks, fisheries and wildlife by fostering partnerships, cultivating stewardship and safely connecting people with the outdoors.

The South Dakota State Park system includes 13 state parks, 42 recreation areas, 5 nature areas, 1 historic prairie, 70 lakeside use areas, and 10 marina/resorts. In addition, the Division of Parks and Recreation manages the 114-mile Mickelson Trail, South Dakota's Snowmobile Trail Program, 220 public water access areas and maintains 291 boat ramps with a total of 389 launching lanes.

MARKET AREA OVERVIEW

SOUTH DAKOTA TOURISM MARKET

For tourism purposes, the South Dakota Office of Tourism has divided the state into four geographical sectors:

- **Southeast South Dakota (Region 1):** Located in the southeastern area of the state, this region contains Sioux Falls, South Dakota's largest city, a portion of the Lewis and Clark Trail along the Missouri River and many unique attractions.
- **Glacial Lakes and Prairies (Region 2):** Located in the northeastern area of the state, this region is named for the many small lakes left behind by glaciers millions of years ago.
- **Great Lakes (Region 3):** Four dams built along the Missouri River created Lakes Oahe, Sharpe, Francis Case, and Lewis and Clark. This area is comprised of the counties bordering the Missouri River through the central region of the state. Spring Creek Recreation Area falls along the northern boundary of Hughes County, just 20 miles north of Pierre, the state capital.
- **Black Hills, Badlands & Lakes (Region 4):** Within this region lies Mount Rushmore National Memorial, Wind Cave National Park, Jewel Cave National Monument, Crazy Horse Memorial, and Custer State Park. All these attractions are surrounded by the Black Hills National Forest. Numerous private and public attractions are found throughout the region. This region generates the vast majority of out-of-state visitors coming to South Dakota.

LOCAL MARKET AREA

The Local Market Area for the Spring Creek Resort is a combination of a multi-state regional market, statewide market, and the local tri-county market consisting of Hughes, Stanley and Sully counties. It is anticipated that each segment will play a significant role in the overall business plan for this concession opportunity.

Lake Oahe is one of four major reservoirs on the Missouri River in South Dakota. Construction began on Oahe Dam in 1948 and it was operational in 1962. It is the largest body of water in South Dakota. Lake Oahe extends from near Pierre 231 miles to the north reaching Bismarck, North Dakota. Surface area at the base flood control elevation of 1607.5 msl is 312,000 acres. At this elevation, the lake is encompassed by 2,250 miles of shoreline. With its vastness, beauty, water quality, and central location, it is a natural for outdoor recreation in South Dakota. Just eight miles below the dam are the cities of Pierre and Fort Pierre.

Even at the lower elevations experienced in recent years, Lake Oahe is still nearly 200,000 acres in size and provides superb boating opportunities. The challenge with the lowering reservoir levels has been primarily maintaining access to the water's edge. In the early 2000s, the Department expended nearly 4.5 million dollars in an aggressive program aimed at providing uninterrupted boating access by extending existing boat ramps. When a ramp can no longer be extended feasibly, alternate locations have been developed as close to the primary areas as possible. The result has been approximately sixteen key boat ramp sites that still provide access even during the lowest level ever recorded since the filling of Lake Oahe, including the ramps at Spring Creek and Cow Creek Recreation Areas.

The local market area around Spring Creek Recreation Area is defined as the lower Oahe region consisting of three counties, Hughes, Stanley, and Sully. Outstanding recreational opportunities such as hunting, fishing, boating, swimming, camping and trails are some of the predominate draws to this area. Other areas of importance include:

- 2 percent (2%) of gross receipts; AND,
- 50 percent (50%) of revenues earned from rentals of Department owned A-Dock

The offer of a higher franchise fee than this minimum is generally beneficial to the State and accordingly will generally be more favorably evaluated. However the State will balance consideration of revenue with its objectives of protecting, conserving, and preserving resources of the park area and of providing visitor services to the public at reasonable rates.

State the franchise fee that you propose. Such fee must at least equal the minimum franchise fee set forth above. Express this fee as a percentage of annual gross receipts.

_____percent of annual gross receipts

Question 3.2 Repair and Maintenance Reserve

As outlined in the Business Opportunity section, the State believes that well maintained facilities at Spring Creek Recreation Area are an integral part of the visitor experience. The Draft Agreement specifies a Repair and Maintenance Reserve Program of at least 3% of annual gross receipts. In addition, the State believes that the minimum continued re-investment in repair and maintenance throughout the term of 3.0 percent of Gross Receipts will assist in preserving a high level of appearance and functionality that is integral to the visitor experience.

Given the State's objectives and the requirements discussed in the Business Opportunity section and clarified in Section 14 of the Draft Agreement, please elaborate on your plan for facility repair and maintenance. Your plan should include the following:

1. Brief description of the plan, including a strategy to make immediate improvements in the first year of operation
2. Preliminary observations of items to be renovated (i.e. flooring, walls, windows, access, etc.), your expected schedule, and prioritization plan
3. Estimated costs (if available)
4. Policies and samples of replacement schedules currently used

SETTLEMENT AGREEMENT

This Settlement Agreement is made and entered into this ____ day of May, 2018, by and between the State of South Dakota, Department of Game, Fish and Parks (hereinafter "GFP"), of 523 East Capitol, Pierre, SD 57501, and Spring Creek Ventures, LLC (hereinafter "Concessionaire") of 3322 South 219th Street, Elkhorn, NE 68022.

WHEREAS, Concessionaire is the concessionaire under an existing concession lease agreement with GFP, for the operation of resort facilities and concessions at Spring Creek Recreation Area, which said concession lease will expire on December 30, 2018; and

WHEREAS, the Parks and Recreation Division of GFP is presently in the process of developing a Prospectus for the issuance of a new ten year concession lease at Spring Creek Recreation Area which includes an independent appraisal of the Concessionaire's Possessory Interest (hereinafter "New Concession Lease"); and

WHEREAS, the parties desire to enter into an agreement in advance to resolve issues that may arise in connection with the Prospectus, solicitation of bids and awarding of the New Concession Lease and to anticipate the possibility of transfer of the operations and assets at Spring Creek Resort to a new concessionaire;

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter made by and between the parties hereto, the parties agree as follows:

1. The parties hereby agree that the Prospectus which is currently being developed in connection with soliciting bids for the new Spring Creek Recreation Area concession lease will provide for the following:
 - a. That a new concessionaire shall be required to purchase the following at the price of \$1,749,487.00 which was independently established by Shaykett Appraisal Company, Inc. in the Appraisal Report Of The Possessory Interest Held By Spring Creek Ventures, LLC In The Resort And Marina with a Date of Value of March 20, 2018 :
 - i. Concessionaire's interest in Concessionaire Facilities and associated personal property as more fully explained in the Draft Concession Agreement; and
 - ii. Concessionaire's intangibles used in providing concession services as itemized on the "Intangible Listing" attached hereto as Exhibit "A" and incorporated herein by this reference
 - b. That a new concessionaire shall be required to purchase from Concessionaire the retail liquor license which presently is held in the name of Concessionaire at a total price of \$75,000 which said amount shall be

due and payable upon the new concessionaire receiving the approval of the County Commission of Hughes County, South Dakota and the South Dakota Department of Revenue to the transfer of the liquor license to the new concessionaire. A new concessionaire will be expected to commence the license application process as required in order to complete the same on or about the Closing Date upon being awarded the new concession lease. In the event the license transfer approval is still pending at the time of closing, the \$75,000 purchase price will be held in escrow and paid out to Concessionaire once the approval and transfer of licenses has been obtained. Concessionaire shall cooperate with a new concessionaire in obtaining the transfer of the liquor license. In the event that the transfer of the liquor license cannot be accomplished within sixty (60) days at no fault of the existing Concessionaire, this provision will be considered null and void ab initio and existing Concessionaire is relieved of all obligations regarding the transfer of the Liquor License.

- c. Closing is anticipated to take place prior to December 31, 2018. The closing site shall be a neutral site such as a title insurance company or bank in South Dakota. Any escrow closing costs shall be the expense of the new concessionaire. Concessionaire shall cooperate with all reasonable closing requirements which are necessary to close the transaction in a business-like manner. Concessionaire will upon full payment for all such property on the appraisal, provide a Bill of Sale to the new concessionaire at closing.
 - d. All payments required under this Agreement and under the Prospectus to Concessionaire by the new concessionaire or GFP shall be made in full at the time of closing.
2. The parties agree that upon transition of management and operations from Concessionaire to a new, as yet to be identified or selected concessionaire at the termination of the current concession agreement, it may be necessary for purposes of purchase by a new concessionaire to conduct an inventory of equipment, personal property and perishable items maintained in stock and in the possession of Concessionaire at the termination of the concession agreement. Values and compensation for inventoried items shall be inventoried and valued as agreed upon by Concessionaire and the new Concessionaire.
3. The parties agree that upon transition of management and operations from Concessionaire to a new, as yet to be identified or selected concessionaire at the termination of the current concession agreement, it will be necessary for new concessionaire to obtain licenses for various services such as food service, lodging, etc. Current licenses held by Concessionaire may be transferred to or purchased by new concessionaire, where allowable, as agreed upon by Concessionaire and the new concessionaire. In any event, it shall be the responsibility of the new concessionaire to obtain and secure all applicable licenses.

4. Concessionaire agrees to cooperate with GFP in scheduling and providing staff to assist with an initial site visit by prospective prospectus bidders. The Concessionaire may conduct site visits for interested parties on a walk-in basis only, provided, however, that GFP shall be provided immediate notice of such site visit as well as contact information for the party involved and a listing of any information or documentation disclosed by Concessionaire to the party involved which is not already disclosed in the prospectus. Concessionaire acknowledges that any information it discloses to any such walk-in party shall also be disclosed by GFP to all identified interested parties of record. Additional site visits may be coordinated by either GFP or Concessionaire, and arrangements for such additional site visits shall be made by mutual written agreement at least twenty-four (24) hours in advance to keep to a minimum any disruption to Concessionaire or resort guests. Concessionaire agrees to waive any claim for compensation for the time of its principals or staff in participating in site visits of the premises. Concessionaire agrees that it will not independently respond to information inquiries or documentation requests received from potential prospectus bidders. In the event it receives such inquiries, Concessionaire agrees to advise any potential prospectus bidders that any inquiries must be made in writing directed to GFP. If GFP is unable to provide a satisfactory response to such inquiries, it will forward such inquiries to Greg VanderVorst as Concessionaire's designated representative, who shall within seven (7) days of his receipt thereof provide GFP with Concessionaire's reasonable written response to such inquiries. Upon its receipt of Concessionaire's responses, GFP will forward responses to inquiries to all Prospectus bidders. In addition, Concessionaire agrees to waive any claim for compensation for the time of its principals or staff spent in participating in a tour of the premises and reasonable review of the property with a prospective or new concessionaire.
5. Concessionaire agrees to cooperate with GFP in compiling any pertinent financial information and statements as may be reasonably requested by potential bidders. Concessionaire further understands that any information provided pursuant to a request from a potential bidder will be provided to all potential bidders who have made an information request. Financial statements including annual balance sheets, income statement and profit and loss statement for previous 5 years of operations provided to and on file with GFP as required by the existing Concession Agreement may be disclosed to potential bidders. Any financial information disclosed to potential bidders will be under letter of confidentiality.
6. Concessionaire agrees to provide a detailed list of personal property to include a sale price for inclusion in the prospectus.
7. Concessionaire, its officers, and authorized representatives, agrees to take no actions or make representations of any kind which are designed or intended to discourage or influence interested parties from bidding for the new Spring Creek Recreation Area Concession Lease or to influence the amount of the bid by a prospective

- concessionaire. Concessionaire will not misrepresent any matters concerning the resort facilities or concessions to a prospective concessionaire.
8. Following selection of the new concessionaire, Concessionaire shall provide the new concessionaire and GFP with a lodging reservation summary as of the last day of the month prior to the selection of the new concessionaire and thereafter update it on a monthly basis. The reservation summary shall include, for each lodging facility, a summary of the dates of stay, estimated rates, and amounts of advanced deposits received. The names of the guest, guests' addresses, contact information and dates of stay by guests or slip renters will be held by the Concessionaire until closing unless an earlier agreement is reached between Concessionaire and a new concessionaire. At closing, Concessionaire shall provide a new concessionaire with a complete accounting of receipts for advance reservations and advance deposits received prorated to the date of possession. Concessionaire shall retain an amount equal to the lodging fee for the first night's stay for each customer reserved in advance by Concessionaire. The remainder of the advanced deposits will be paid over to the new concessionaire at the time of closing. Concessionaire agrees not to make any reservations at an amount less than the full normal rate.
 9. The parties agree that upon execution of a new concession lease and transfer of Concessionaire's Possessory Interest in Concessionaire Facilities and intangibles to a successor, the Concessionaire shall be required to provide GFP with satisfactions of all collateral assignments, financing statements and mortgages which Concessionaire has provided to any financial institution in connection with the property interests being sold and transferred to the new concessionaire.
 10. This Agreement reflects the complete and final expression of the parties' agreement, superseding all prior negotiations or agreements, whether written or oral. This agreement may not be modified or amended except in writing executed by both parties.

41:13:03:01. Duration of concession lease or agreement. The concession lease or agreement, except for existing concession leases or agreements under negotiation, amendment, or

renegotiation on the effective date of this article, may be issued for a term that the commission determines is required to allow the concessionaire a reasonable opportunity to realize a profit on the concessionaire's operations commensurate with the concessionaire's capital invested and the obligations assumed for the planned and negotiated investments by a concessionaire.

If, during the term of a concession lease or agreement, the commission and concessionaire agree that an authorized major addition, renovation, repair, or replacement should be made to the concessionaire's facilities or governmental facilities, to be provided by the concessionaire at the concessionaire's expense, the commission may extend the lease or agreement as provided in this section. The commission shall review the proposal within 60 days and evaluate the proposal using the criteria listed above.

If determined by the commission to be in the public's best interest, the commission may at least 12 months prior to the termination of an existing concession lease or agreement negotiate with the concessionaire new lease terms and conditions. If the commission determines not to negotiate or the concessionaire does not accept the commission's terms and conditions, the existing agreement shall terminate according to the terms of the agreement. The commission shall select and award a new concession or lease agreement as provided in § 41:13:03:09 and this chapter. 41:13:03:02. Procedure to determine compensation to a concessionaire upon expiration of lease or agreement. Prior to the expiration of a concession lease or agreement, the following procedure shall be used:

- (1) At least 12 months before expiration of a concession lease or agreement the commission shall determine the fair market value of the possessory interest of the concessionaire in the concessionaire facilities or government facilities pursuant to the end date of the contract and subdivision 41:13:03:04(1). The fair market value shall be determined by an appraisal performed by a qualified appraiser. A copy of the appraisal shall be provided to the concessionaire upon its

completion. The department and the concessionaire shall each pay 50 percent of the cost of the appraisal. Upon recommendation of the department, the department and concessionaire shall mutually select the qualified appraiser. If agreement cannot be reached within 15 days, the commission shall have the final determination of the qualified appraiser;

(2) If the department or the concessionaire is not satisfied with the appraised fair market value, either party may request in writing, within 30 days after receipt of the appraisal value, that the fair market value be determined by binding arbitration as provided in § 41:13:03:03; and

(3) Upon receipt of the appraisal or the valuation determined by arbitration, the commission shall prepare and publish a prospectus containing the valuation of the possessory interest of the concessionaire facilities or government facilities in an attempt to find a qualified successor concessionaire.

41:13:03:03. Procedure for binding arbitration. The procedure for binding arbitration is as follows:

(1) The department or concessionaire may, by written notice to the other within 30 days after receipt of the appraisal, appoint an arbitrator of its choice. The other party, by written notice within 15 days after receipt of notice, shall appoint a second arbitrator of its choice. In default of a second appointment, the first arbitrator appointed shall be the sole arbitrator;

(2) When two arbitrators have been appointed, they shall, if possible, agree on a third arbitrator and appoint the arbitrator by written notice signed by them. A copy of their notice shall be mailed to each party within 15 days after notice has been given of the appointment of a second arbitrator;

(3) If 18 days elapse after the appointment of the second arbitrator without notice of appointment of the third arbitrator, then both parties shall select the third arbitrator from members of the alternative dispute resolution section of the State Bar of South Dakota; and

(4) The arbitrators shall hold an arbitration hearing at a location determined by the arbitrators within 30 days after the final appointment of the arbitrators. The arbitrators shall allow each party to present their case, evidence, and witnesses, if any, in the presence of the other party and shall determine the fair market value of the property.

Each party shall pay the cost and expense of its appointed arbitrator. The costs and expenses of a sole arbitrator or the third arbitrator shall be paid equally by the department and the concessionaire.

The determination of the majority of the arbitrators is binding on the parties to the arbitration although each party retains his right to appeal any questions of law arising at the hearing.

41:13:03:04. Compensation to concessionaire. Compensation for a possessory interest held by the concessionaire upon expiration of the concession lease or agreement, unless otherwise provided in the lease or agreement, shall be determined as follows:

(1) Possessory interest in concessionaire facilities or government facilities authorized by the commission shall be valued for purposes of compensation to the concessionaire by the successor concessionaire at fair market value; and

(2) No compensation is due the concessionaire from a successor concessionaire for the concessionaire's personal property used in operations under a lease or agreement. However, a successor concessionaire may purchase such personal property from the concessionaire subject to mutually agreed upon terms;

(3) The department retains the option to purchase concessionaire possessory interest in concessionaire facilities if the Legislature appropriates funds for acquisition in the amount of the fair market value or the value determined by arbitration as provided in § 41:13:03:03; and

(4) If the department chooses not to issue a subsequent lease or agreement, the department retains the option to direct the concessionaire to remove the concessionaire facilities from the park and restore the premises to the extent that the facilities had an impact upon the grounds. In this situation, the concessionaire shall be compensated for the concessionaire's possessory interest in concessionaire facilities or government facilities in the amount of book value and the cost to the concessionaire of restoring the premises to the extent that the facilities had an impact on the grounds. Book value is the unrecovered cost of the possessory interest in concession facilities or government facilities that have been identified in the lease or agreement and are represented as such on the concessionaire's federal tax return or audited financial statements.
