# REGISTRATION & Information

The screenshot shows the homepage of the Go Outdoors South Dakota website. On the left, there's a sidebar with icons for logging in, purchasing licenses, managing reservations, and viewing customer accounts. A large orange button says "log in" and "mySD". Below it is a link "Help Logging In". On the right, there's a large image of a person wearing a high-visibility vest and a cap. Text on the right side reads: "Go Outdoors South Dakota!", "For any issues accessing or creating customer profiles, please call 1-800-238-4168 for assistance!", "Mission: We serve and connect people and families to the outdoors through effective management of our state's parks, fisheries, and wildlife resources.", and "For more information on Licenses, Fees, and Regulations: Click Here".

## To Create an Account

1.) Go to our registration link

<https://gooutdoorssouthdakota.com/> and click through the steps that the Go Outdoors System prompts you to complete to set up your account.

2.) Once you have created an account, you should be able to log on to Go Outdoors. If you are not planning to use your account to register anyone else up (such as your child), then you are now complete and ready to sign up for classes that are posted or future ones that will be posted.

3.) \*\*\*If you are a parent or caregiver\*\*\* There is an additional step needed to register for programming for your student. Each student will need an account. There are two options for creating your student an account:

- If your student has an email address or you would like to get your student an email address, follow the same process you did for yourself to set up an account but do so for each of your students.
- If your child does not have an email address and you do not desire them to obtain one at this point, you will need to visit the Outdoor Campus Sioux Falls or give us a call at 605-362-2777 so we can create your child an account that does not have an

## Native Plant Design

Native plants have many benefits for pollinators, birds, and the environment, and more people are planting them in their yards in place of traditional lawns and landscaping. There are many unique and beautiful native plants that grow in SD. In this presentation and design workshop, learn about why native plants are important, examples of plants that work well in the home landscape and in pollinator gardens, and tips and techniques for getting started. Share ideas and questions for your own native plant projects, and we'll also take a walk to the Outdoor Campus pollinator garden that's in progress.

**Age:** adult only **Class size:** 10

**Date:** Tuesday, May 5, 6:00 to 8:00 p.m.

**Event ID:** 234955

### About the instructor-

*Robin Buterbaugh works for SDSU Extension as a Horticulture Field Specialist based in Brookings and Sioux Falls. She received her master's degree in Natural Resources Management from SDSU in 2023, where her project focus was on integrating native plants in community and residential landscaping. She also obtained a permaculture design certificate in 2017. In her Extension role, she works across South Dakota to provide resources and assistance to individuals and organizations related to ecological design, permaculture, native plants, pollinator gardens, and community and school gardens. Robin loves vegetables, flowers, native plants, and all things plant related, and she loves to bring all those things together to help people create landscapes that are beautiful and beneficial!*

# About The Outdoor Campus

## MISSION STATEMENT

The South Dakota Game, Fish and Parks provides sustainable outdoor recreational opportunities through responsible management of our state's parks, fisheries and wildlife by fostering partnerships, cultivating stewardship and safely connecting people with the outdoors.

Founded by GFP in 1997

### How are these classes FREE?

Our funding comes from the sale of hunting and fishing licenses in South Dakota. If you like our classes thank a hunter or an angler.

### How can we support The Outdoor Campus?

Buy a hunting and fishing license in South Dakota. Nationwide the sale of licenses are declining rapidly as we lose the Baby Boomer Generation. They were the last large group of hunters and anglers. We need to replace the funds they put toward habitat, wildlife management, conservation, recreation and education. Every single license you buy in your family helps fisheries, pheasant habitat and so much more—including The Outdoor Campus.

### Do you get any other funds?

We do receive some funding from a Federal excise tax on hunting and fishing equipment sales. A small portion of each fishing pole or shotgun you buy can go toward hunting and fishing programs here.
