

### Deer Draw and Licensing Changes

Andrew Norton, SDGFP Senior Big Game Biologist

### **Objectives of Combined** SOUTH DAKOTA Firearm Draw Get more hunters in the field. Increase hunter's chance of drawing "preferred" license.

SOUTH DAKOTA

Game, Fish
& Parks

- Prior to 2019: Could apply for initial draw of each deer season.
- Beginning in 2019: Could apply for or hold licenses in only 2 seasons through first 2 draws.
  - O Draw 3: Residents could apply for any season provided they did not hold a license for that season.
  - o Draw 4: Residents could submit 5 applications and allowed multiple applications/season.
  - Nonresidents had to wait until the leftover license draw 5 before they could apply for >2 seasons and hold >1 license/season.
