COMMISSION PROPOSAL

Proposed change from last year:

1. Eliminate the use of centerfire rifles and muzzleloaders on the American Crow Creek Public hunting area new Oacoma south of Interstate 90, east of Cooper School Road, and south to the Missouri River.

SUPPORTIVE INFORMATION

Through the petition process, the GFP Commission received a request from an adjacent landowner to eliminate the use of centerfire rifle and muzzleloaders on the American Crow Creek public hunting area near the city of Oacoma. Safety concerns were the primary reason for bringing forward the request to make such a change.
