### Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor’s Drive - Kneip Building, Pierre SD 57501, or call 605.773.6456.

Nonpayment in the form of a cancelled credit/debit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full.

### Application Rules

# REDUCED-PRICE LICENSE APPLICATION INFORMATION

## LANDOWNER ELIGIBILITY

### Resident

Qualifying resident landowners and “owner/operators,” and any “immediate family” living at home, who have not been issued a big game license that permits the harvest of a buck during the West River Deer, West River Special Buck, East River Deer, East River Special Buck, Black Hills Deer, or Firearms Antelope seasons may obtain a reduced-price license to hunt on land owned or leased by the qualifying resident for the specified season and unit.

Qualifying resident landowners and “owner/operators,” or any “immediate family” members of the qualifying landowner-operator’s family including grandparents, parents, spouse, children, children’s spouse, or grandchildren who live on the ranch or in the closest community and have an active role in the ranch operation, who have not been issued an elk license, may obtain a reduced-price license to hunt on land owned or leased by the qualifying resident. A qualifying applicant for a ranch unit may not purchase the “antlerless elk” license if any qualifying member of the ranch unit holds an elk license obtained using landowner-operator preference in the Prairie Elk hunting season. A ranch unit is described as all private property owned and leased for agricultural purposes by written agreement by an individual qualifying landowner or a qualifying corporation, limited liability company, partnership or trust in the state. A ranch unit may not be subdivided for the purpose of qualifying for more than one Landowner Prairie Elk license.

Qualifying resident landowners and “owner/operators” may purchase one “any deer” license or a two-tag license (“any deer” and “any antlerless deer”) for the West River, East River, and Black Hills Deer seasons, and one “buck antelope” for the Firearms Antelope season, and one “antlerless elk” license for the Prairie Elk season (only available in certain units).

For deer and antelope licenses, resident landowners must own or lease for “agricultural purposes” a minimum of 160 acres of privately-owned land or be an “owner/operator” of the land to qualify. For an elk license, resident landowners must own or lease for “agricultural purposes” a minimum of 240 acres of privately-owned land or be an “owner/operator” of the land to qualify. A qualifying landowner or tenant, but not both, may apply for the same qualifying property. Employment on a farm or ranch alone does not qualify an individual for this license.

The qualifying applicant’s land, as described on their application, must be within the hunting unit applied for and be an area open for hunting.

### Nonresident

Qualifying nonresident landowners and “owner/operators,” and any “immediate family” living at home, who have not been issued a big game license that permits the harvest of a buck during the West River Deer, West River Special Buck, or Firearms Antelope seasons may obtain a reduced-price license to hunt on land owned by the qualifying nonresident for the specified season and unit. Nonresident landowners can only obtain a license to harvest a buck on their own land in East River Deer via a lottery drawing (see Nonresident East River Deer Landowner application).

Qualifying nonresident landowners and “owner/operators” may purchase one “any deer” license or a two-tag license (“any deer” and “any antlerless deer”) for the West River Deer season. Qualifying nonresident landowners and “owner/operators” may purchase one “buck antelope” for the Firearms Antelope season.

- **West River Deer:** Nonresident landowners must own for “agricultural purposes” a minimum of 640 contiguous acres and be an “owner/operator” of the land to qualify.

- **Black Hills Deer:** Nonresident landowners are not eligible.

- **Firearm Antelope:** Nonresident landowners must own for “agricultural purposes” a minimum of 640 contiguous acres West River and be an “owner/operator” of the land to qualify or own for “agricultural purposes” a minimum of 160 contiguous acres East River and be an “owner/operator” of the land to qualify.

- The qualifying applicant’s land, as described on their application, must be within the hunting unit applied for and be an area open for hunting.

### Residents and Nonresident

- **Legal entities**, including shareholders of a corporation, members of an LLC holding a membership interest in the company, partners in a partnership, and beneficiaries of a trust entitled to the current income and assets held in trust, organized and in good standing under the laws of this state are eligible if:

- o The **resident** entity holds title to 160 acres or more of private land located within the hunting unit applied for deer and antelope or 240 acres or more of private land located within the hunting unit applied for elk

- o The **nonresident** entity holds title to 640 contiguous acres or more (West River Deer) of private land located within the hunting unit applied for.

- o The shareholder, member, partner, or trust beneficiary is responsible for making the day-to-day management decisions for “agricultural purposes” on the farm or ranch.

- “Agricultural purposes” means the producing, raising, growing, or harvesting of food or fiber upon agricultural land, including dairy products, livestock, crops, timber, and grasslands. Land leased solely for hunting, fishing, or trapping is not considered agricultural purposes.

- “Owner/Operator” means an individual holding fee title to farm or ranch real property who is directly involved in the management decisions made for agricultural purposes on the farm or ranch.

- “Immediate Family” means the qualifying applicant’s spouse or a child who resides with the qualifying applicant for deer or antelope.

- For elk, “Immediate Family” means the qualifying landowner-operator’s family including grandparents, parents, spouse, children, children’s spouse, or grandchildren who live on the ranch or in the closest community and have an active role in the ranch operation, who have not been issued an elk license.

- Processing certificates will be available at participating processors for hunters to use in paying for most or all of the processing costs of donated antlerless deer.
- Processing certificates cannot be used for buck deer, antelope or any other big game but this game can still be donated at hunter processing expense.
- A list of participating processors will be available from the SAH website at [feedtbeneedsd.com](http://feedtbeneedsd.com) or by calling 800.456.2758.
