NEW IN OUR STATE PARKS

2025 FEE UPDATES: INVESTING IN OUR PARKS

South Dakota State Parks entrance and camping fees increased in 2025 to adjust to rising costs and to help keep our parks welcoming, well-maintained, and ready for visitors. Our goal is to create a balanced budget that allows us to adequately maintain and improve our facilities while still keeping fees fair for all. Our state parks are renowned for their variety of amenities and natural beauty, attracting millions of visitors each year, and we want to ensure they remain in great condition for everyone to enjoy.

Additionally in 2025, a nonresident entrance license fee has been established. This approach aligns with practices in other states.

These fee adjustments are expected to generate around \$4.38 million with

the majority of this revenue directly supporting projects such as cabin remodels, comfort station repairs, road maintenance, new fish cleaning stations, boat ramp replacements, and playgrounds. The changes are an important step in our ongoing effort to keep our parks beautiful and inviting for everyone.

PICKEREL LAKE RECREATION AREA CABIN

The new modern cabin at Pickerel Lake Recreation Area provides a serene lakefront retreat, perfect for those seeking a peaceful getaway. Accommodating up to eight guests, it is an excellent choice for small business retreats, family reunions, or gatherings with friends. Centrally located, the cabin offers close access to a variety of hunting and fishing opportunities. Featuring a fully equipped kitchen,

private bedrooms, and a bathroom, it ensures all the comforts of home during your stay. Additionally, for those planning a reunion, campsite 27 is conveniently located nearby.

PALISADES STATE PARK ACCESSIBLE PLAYGROUND

The all-inclusive playground at Palisades State Park is situated within the newly expanded day-use area. This thoughtfully designed playground features ADA accessibility and a variety of inclusive activities, including a tenor tree and ADA-compliant swings. A unique zero-entry orbit (merry-go-round) enhances the play experience for everyone. The playground's poured-in-place rubber surface ensures easy

navigation for strollers and wheelchairs while providing a safe environment for all visitors. Enjoy great views of the rock outcroppings and Split Rock Creek with a nearby shelter available for shade or picnicking.

SNAKE CREEK RECREATION AREA'S FISH CLEANING AND TRAILER DUMP STATION

Snake Creek Recreation Area offers a new fish cleaning and trailer dump station in 2025. Conveniently located just a mile east of the recreation area, these facilities are designed to ensure uninterrupted services during the bridge construction project expected to begin in 2025.

PARK PROGRAMS

PARK RX

It's no secret that a healthy dose of fresh air provides actual medical benefits for the human body. Did you know your health care practitioner can write you a Park Prescription? The prescription is redeemable for a free one-day pass to any South Dakota state park or a discounted annual pass for year-round activity.

Regular, outdoor exercise is proven to benefit both physical and mental health, and it doesn't take a big investment of time to make a big difference. Not only does it get the heart pumping and the body moving, even light outdoor exercise can improve cognitive development, reduce stress, and improve your mood.

Talk to your doctor today to see if they participate in the South Dakota Park Prescription program. If not, it's easy for them to sign up and start writing prescriptions.

Conversation starters for doctors and patients:

Weekly Physical Activity

This is a chance for patients to share their current activity level and for doctors to suggest some small, simple changes to help people get more active.

Family Activities

What does the patient's family like to do together on a regular basis? If quality time often means TV time, the physician can offer tips to get the whole family more active. What if commercial breaks turned into a fitness break?

Aspirational Activities

What are the patient's goals? Run a 5K? Climb stairs easily? Longer playtimes with grandkids? When physicians understand their patients' motivations, they can work together to set achievable goals and a plan to reach them.

GO FOURTH

Since 2015, the South Dakota Game, Fish and Parks has partnered with the Department of Health to put on the Go Fourth program. Go Fourth aims to get fourth graders and their families outside and active with the overall goal of improving the health of South Dakota youth and their families. All students are eligible.

The Go Fourth pass is redeemable for the student's choice of three state park discounts:

- » A free daily entrance license
- » Half off one annual entrance license
- » A free 3-year subscription to the *Conservation Digest*

Students also receive a coupon for a free one-hour equipment rental, where available. The Go Fourth and rental coupon are redeemable until December 31 of the issuing year.

We encourage students to go forth and create healthy habits, try new activities, and enjoy nature with their families.

Receiving your pass

Passes are typically distributed in March and April, either through the school office or through a classroom visit by GFP staff.

Parents of homeschool fourth grade students should contact a state park administrative office or email parkinfo@state.sd.us. Please include your student's name and your mailing address so we can determine eligibility. Any South Dakota student who is a fourth grader in the 2024-2025 school year is eligible for the 2025 program.

Redeeming your pass

You can redeem your Go Fourth pass at any South Dakota State Park or Recreation Area.

CHECKOUT SD

In partnership between the South Dakota Department of Education and Game, Fish and Parks, library card holders may check out a three-day state park vehicle pass at their local, participating public library. The Check Out South Dakota State Parks library park pass is valid for entry of one passenger vehicle into any South Dakota State Park, Recreation Area, or Nature Area.

How does it work?

Contact your local library to Check Out South Dakota State Parks. If you don't have a library card, visit your local library to get one. The library card and the pass checkout are free!

During your park visit, visibly display the vehicle park entrance license on your vehicle's rearview mirror. Make sure to return the vehicle park pass to the library for others to Check Out South Dakota State Parks, and complete the survey about your experience.

Participating Libraries

View the list of participating libraries at library.sd.gov/sdstateparks/participating.aspx.

Don't see your local library listed? Contact your library to request their participation.

GUIDELINES AND REGULATIONS

CAMPING

- » Camping is permitted only in designated areas.
- » One camping unit permitted per site.
- » Electrical hook-ups are available only to campers registered on an electrical site. Extension cords may not be run from one campsite to another.

VEHICLES

- » Motor vehicles must stay on established roads and parking lots.
- » Only vehicles licensed to operate on public roads are allowed to operate on park roads.
- » A valid park entrance license must be affixed to the vehicle in designated fee areas.
- » Mopeds, scooters, and golf carts that are not registered for public road use may operate on park roads if they are equipped with safety equipment required by state law. A valid park entrance license is required. For more information, visit gfp.sd.gov and search “off-highway vehicles.”

QUIET HOURS

- » Between the hours of 11 p.m. and 6 a.m., parks are open to registered campers only. Quiet hours are in effect during this time. A person may not cause unreasonable disturbance to others in park areas. Please be considerate while camping.

BACK-IN CAMPSITES

- » To avoid damage to grass and confusion on park roads, campers must back-in to all campsites unless they are designated as pull-through sites.

PETS IN THE PARK

- » Keep pets on a leash no longer than ten feet at all times in the campgrounds and near other visitors.
- » Leashes can be removed if in a remote area and more than 200 feet from other visitors. However, pets must be kept under immediate control.
- » Pets are not allowed in comfort stations and visitor centers. Service animals are allowed.
- » Dogs and cats are allowed in pet-designated lodges, cabins, and suites for a \$10 fee. A list of pet-friendly cabins is available at gfp.sd.gov/camping-regulations.
- » Owners must clean up after their pets. A cleaning or replacement fee may be charged for pet damage to park facilities.
- » Pets are not allowed on designated swimming beaches. Pets are welcome to swim in other areas.
- » Please do not leave pets unattended.

A CAMPING UNIT is any one hard-sided camper and/or one or more tents, if all occupants meet the definition of family (parents or grandparents and their minor children) or do not exceed six people.

SPECIAL EVENTS

Visitors are welcome to host special events like reunions and meetings in a state park. Please fill out the special events form at gfp.sd.gov or contact the park directly.

PARK ENTRANCE LICENSES

Buying

Customers can buy a park entrance license online at campsd.com, at any state park or regional Game, Fish and Parks office, or at a self-service kiosk located at parks.

FIRES AND FIREWORKS

- » Campfires are allowed only at designated campsites and in approved fireplaces, stoves, or grills.
- » All types of fireworks are prohibited on state-managed lands.

FIREWOOD RESTRICTIONS

- » Collecting firewood is prohibited.
- » Smooth dimensional lumber scraps are acceptable if sized to fit within the firegrate. Wood containing nails, screws, or hardware - including rough and pallet lumber - cannot be brought into any state park area to be used as firewood.
- » No out-of-state firewood is allowed in state parks and recreation areas due to the threat of bug infestations.

- » Do not bring wood that has been within the emerald ash borer quarantine area into any South Dakota state park unless it has a label affixed certifying it as emerald ash borer treated and safe to move.
- » In parks located within the quarantine area, outside firewood must have a label affixed certifying it as emerald ash borer treated and safe to move.
- » Firewood is available for purchase in the parks or from local stores outside the quarantine area.
- » If you purchase firewood from a state park within the quarantine area, do not remove it from the park.

Restrictions may change. Ask park staff or visit gfp.sd.gov for the most current information. Visit EmeraldAshBorerInSouthDakota.sd.gov to learn what else you can do.

RESELLING CAMPSITES

- » Reselling campsites is prohibited.
- » Campers who cannot make a scheduled stay can transfer the reservation to another date or park at no extra cost. If upgrading, the difference in fees will apply. Transfers can only be done by calling 1.800.710.CAMP. Specify that you wish to transfer your reservation to avoid a cancellation fee.

GUIDELINES AND REGULATIONS

DISABLED VETERAN PASS

Any South Dakota resident who meets one of the following criteria may apply for a free lifetime park entrance license and half-priced campsites and camping cabins:

- » A veteran's allotment for a total disability which is deemed a service-connected injury.
- » The recipient of the United States Veterans Administration "K" Award.
- » Was held as a prisoner of war.

Apply online at gfp.sd.gov.

LASER LIGHTS

- » Those who set up outdoor lights while camping, such as laser light projectors, are asked to be courteous to fellow campers. Please turn them off between 11 p.m. and 6 a.m.

HUNTING IN PARKS

- » Hunting, with restrictions, is allowed in state parks between October 1 and April 30. Details can be found in the current *Hunting and Trapping Handbook*. Additional opportunities may also be available in designated areas of select state parks in September and May. Visit sdgfp.maps.arcgis.com or contact the park for details.

SWIMMING BEACHES

For the safety of swimmers, designated swimming beaches do not allow:

- » Glass
- » Boats, including kayaks, canoes, and paddleboards
- » Pets
- » Fishing

Please look for other areas that accommodate these activities.

FREE ENTRANCE FOR MILITARY GROUP EVENTS

Park entrance licenses and Mickelson Trail passes are not required for past and present military personnel participating in an eligible military group event. This includes South Dakota military veterans, members of the South Dakota National Guard and military reserve units, patients of veterans' hospitals in South Dakota, and family members and guests attending the event.

To host a military event in a state park, complete the special event application at gfp.sd.gov. For more information, call 605.773.3391.

AQUATIC INVASIVE SPECIES

To help slow the spread of zebra mussels and other aquatic invasive species in South Dakota, it is important to practice CLEAN, DRAIN, DRY:

- » All trailered boats must have all drain plugs, bailers, valves, and other devices used to control the drainage of water opened or removed, except while in a boat ramp parking area or while being launched or loaded.
- » Aquatic bait and fish may not be transported outside of a boat ramp parking area in raw water taken from a lake, river, or stream. Aquatic bait can be transported in domestic water (tap water, well water, bottled water, ice). Most domestic water must be

treated to remove chlorine prior to putting bait in it.

- » Anglers may transport fish still in raw water to an adjacent fish cleaning station. If no cleaning station is available, aquatic bait must be disposed of in trash containers or transported in domestic water and all plugs must be pulled before travel.
- » Unused bait should be poured into the fish grinder at a cleaning station or drained and disposed of in the trash. It is a violation of state statute to dump unused minnows into a water body.

For more information, visit SDLeastWanted.sd.gov.

RESPECT THE PAST NEVER REMOVE ARTIFACTS

HELP PROTECT OUR CULTURAL RESOURCES.

Cultural resources provide an understanding and appreciation of South Dakota's heritage. The removal of cultural resource artifacts from land managed by South Dakota Game, Fish and Parks is a violation of state and federal laws.

If you find an artifact, please leave it in its place and contact our Department Cultural Resource Protection Officer at 605.668.2985. Please provide accurate information on where the item or items have been located.
