The roundup activity for riders will begin on Thursday, September 25, 2025, with check in, safety briefing and orientation ride.

It is **required** that you attend this orientation to introduce your horse to the buffalo, see the lay of the land and learn your duties for Friday's event. The official roundup ride occurs on Friday morning, September 26, 2025.

Due to the growing level of interest in participating in the roundup, successful applicants are not eligible to re-apply for one of the designated public at-large rider spots for three (3) years. This means you will be eligible to apply again in 2029.
