

**APPLICATION FOR 2022-23  
PRIVATE SHOOTING PRESERVE OPERATOR PERMIT**

**APPLICATION INSTRUCTIONS**

- Preserve applications will be accepted from JANUARY 1 to the MARCH 1 in the Ft Pierre office. Applications will not be accepted after the deadline. Private Shooting Permits are not transferable to another party. Questions can be directed to Janelle.blaha@state.sd.us or 605-223-7665
- Applicants must be either South Dakota residents, South Dakota based associations, co-partnerships or corporations. Associations, co-partnerships or corporations must be legal entities that are registered with the South Dakota Secretary of State's office.
- **The applicant must have control of the land and or hunting rights for the enrolled acres for the duration of the permit. Applicants that do not legally own the designated PSP acres must provide written authorization, including the landowners signature and date, which allows for the enrollment of designated PSP acres into a private shooting preserve permit.**
- **All parts of the application must be filled out. This includes applicant information and legal description of the preserve acres. Applications will be accepted only for the current year. We cannot accept applications from the previous years.**
- New applicants need to submit a plan of operation listing facilities available on the preserve, services offered for the hunters, bag limits planned, bird species and numbers to be released, age of birds at time of planned release, date(s) of planned bird release, and any other information you may wish to include.
- A person may apply for a shooting preserve permit for a single season or for three consecutive seasons upon submitting all required information and paying in full all application permit fees.
- Fees must accompany each application (The fee for a 1-year preserve permit is \$100, plus 40 cents for each preserve acre. The fee for a 3-year preserve permit is \$300, plus \$1.20 for each preserve acre). A preserve must be a contiguous single tract of land, touching at corners or sides, with a minimum 160 acres and a maximum 2,560 acres. An applicant can operate two shooting preserves of 1,280 acres or less or one shooting preserve that is more than 1,280 acres.

New PSPs and PSP renewals with acre or boundary changes, must outline the PSP on the plat map. The plat map below represents an area of 16 sections. Each of the larger squares (thick border) represents a section of land (640 acres); the smallest squares represent 40 acres. Please outline the boundaries of your private shooting preserve area and shade in that portion. Label the section(s), making sure that your sketch conforms to the legal description of the area you wish to enroll. Please include an FSA (SCS) or google aerial photo showing perimeters of the proposed private shooting preserve.

Each small box = 40 A.  
These 4 boxes = 160 A.
