ADDENDUM NO. 1 October 29, 2019

North Breakwater Stabilization
Cedar Shore Marina
Lyman County, South Dakota
GFP Project No. Ceda17Sa

Bid Opening Date: November 5, 2019, 3:00 PM CT

Owner: State of South Dakota
Department of Game, Fish and Parks
2nd Floor, Foss Building, 523 East Capitol
Pierre, South Dakota 57501-3182

Scope of this Addendum:

The following becomes a part of the original plans and specifications, taking precedence over the items that may conflict. The bidder shall note receipt and make acknowledgment of the addendum on his bid form, incorporating its provisions in his bid.

Item No. 1: The Contractor is advised that Lake Francis Case is infested with zebra mussels and appropriate decontamination procedures will be necessary for equipment utilized on this project.

Decontamination procedures shall include on site hot water power washing (> 140°F) of effected equipment, including dewatering pumps and hoses.

South Dakota Administrative Rule 41:10:04:02 forbids the transport of AIS; therefore, all effected equipment shall remain on site after power washing for a 7-day drying period prior to offsite transport.

Erosion control such as floating silt curtain shall be hot water power washed and left to dry for 7 days prior to offsite transport. The Owner will provide hot water decontamination equipment and technical assistance to the project site.

Decontamination costs shall be considered incidental to the project and shall be adsorbed into associated bid line item unit prices.
