About Becoming an Outdoor Family

Becoming an Outdoor Family is a 3-day education workshop that allows South Dakota families an opportunity to learn more about outdoor recreation. Hosted by South Dakota Game, Fish and Parks, the event allows a safe and family friendly environment for all participants to try new activities, build confidence in their existing outdoor skills and meet others with shared interests. All family members are welcome, including infants and young children, to encourage families to spend time outside together and to learn skills to be able to continue to spend time together outside in the future.
