DUCKS (all species)

The 2019 duck season was open 28 September 2019 - 16 January 2020 statewide, although some units/zones may have opened later and/or closed sooner. A special Youth Waterfowl season was open 21-22 September for youth that had not reached age 16 by the first day of the season. The daily bag was 6 ducks, which could include no more than 5 mallards (up to 2 hens), 3 scaup, 2 redheads, 3 wood ducks, 2 canvasbacks, or 1 pintail. Hunters could also harvest 2 bonus blue-winged teal daily during the first 16 days of the season. The daily limit on mergansers was 5, which could include no more than 2 hooded mergansers, and the daily limit on coots was 15. The possession limit was three times the daily bag for each species. To hunt ducks, residents were required to hold small game, 1-day small game, adult, senior or junior combination, or youth small game licenses plus a migratory bird certification. Nonresidents were required to obtain a nonresident waterfowl license. All hunters age 16 and over were also required to obtain a federal waterfowl stamp.

In 2019, there were an estimated 15,718 hunters who hunted at least one day for ducks (11,295 residents, 4,423 nonresidents). From the survey responses, there were a projected total of 229,110 ducks harvested (176,885 by residents, 52,225 by nonresidents). Nonresidents reported harvesting 11% of their ducks within 20 miles of the Missouri River. Average bag for residents was 15.66, and for nonresidents ranged from 3.88 in unit 11A to 16.25 in unit 00B.

The five counties with the highest reported resident hunter numbers were Brown, Day, Codington, Brookings, and Kingsbury. The five counties with the highest reported unit 00B nonresident hunter numbers were Day, Brown, Clark, Marshall, and Roberts.

When asked their satisfaction on the season, (1 being most dissatisfied, 7 being most satisfied), duck hunters reported an average satisfaction rating of 5.17 for residents and 5.38 for nonresidents.

The average days hunted by all hunters (7.30 residents, 4.47 nonresidents) projected to a total of 102,231 recreation days for the season.
