SOUTH DAKOTA DEPARTMENT OF GAME, FISH AND PARKS COMMISSION

NOTICE OF INTENT TO ADOPT EMERGENCY RULES

Notice is hereby given that the South Dakota Department of Game, Fish and Parks, pursuant to the authority vested by SDCL chapters 1-26 and 41-15-10.1, intends to adopt emergency rules to protect the spread of Aquatic Evasive Species, specifically Zebra Mussels recently found in Lake Sharpe (amending ARSD 41:10:04:06 to include the aforementioned water bodies as containment waters).

The effect of the rule is to establish rules that would allow Game, Fish and Parks to designate Lake Sharpe and Lake Francis Case as containment waters thus requiring boaters to following decontamination rules as laid out in ARSD 41:10:04:08.

The reason for adopting the rules is to slow the spread of the zebra mussels to other water bodies in South Dakota that are not currently infested with the Aquatic Invasive Species
