This historic fort was originally a frontier army outpost and is now a picturesque state park that unfolds the area's past. Walk the grounds where the officers' quarters, stone barracks, powder magazine, guard house, and other buildings that remain from the time of the western frontier. The visitors center has interpretive displays, gift shop and offers guided tours. The park hosts festivities for entertainment, culture and history during the annual Fort Sisseton Historical Festival. The festival features period entertainment and activities and attracts thousands of visitors each year.
