

Applying for Fish Setline, Floatline, Hoop Net and Trap Licenses

<https://license.gooutdoorssouthdakota.com/Licensing/CustomLookup.aspx>

You can access the *Go Outdoors* site by using the link above or going to the GFP website and choosing the “Licenses” tab on the home screen and then clicking on the “PURCHASE LICENSE” tab. If you have not already done so, you will need to create a *MySD* login, which can be used with all State of South Dakota state agency webpages.

Once you are logged in to *MySD*, you will be taken to *Go Outdoors South Dakota* and your licensing profile will be displayed.

Purchase Setline/ Floatline or Hoop Net/ Trap Licenses

Complete the following steps to apply for and purchase Setline/ Floatline and Hoop Net/ Trap Licenses.

1. From your profile in *Go Outdoors South Dakota*, choose the “Buy Fish / Hunt Licenses” tab near the top left of the screen.
2. Click the “Commercial Licenses” button on the right side of the screen, after you scroll down below License Package Options. Both Setline/ Floatline and Hoop Net/ Trap License options are included in the list of Commercial Licenses / Special Permits.
3. The license type you select will be placed in your shopping cart and listed as “Free” for the time being.
4. In your shopping cart, click on a permit application you have placed there.
5. A note about the license type you have chosen will appear on the screen. Click “OK”.
6. A new screen will open, and you will be asked to provide the number of licenses you would like to purchase for that license type. Enter the amount and click the “Submit” button.
7. Once you have done this for all hoop net and/or setline license types you wish to buy, click “Check Out”.
8. Proceed through the steps to check out. There will be no fee charged at this time and licenses will be listed as “Free”.
9. You will receive an email confirming your license application has been received.
10. Once licensing staff review your requests and assign license numbers for the Hoop Net / Trap and/or Setline/Float Line licenses you wish to purchase, you will receive another email stating your application (s) was approved.
11. Please log in to *Go Outdoors South Dakota* and pay for the approved licenses, which will be in your shopping cart.
12. Any setline/ floatline or hoop net/ trap licenses purchased will be added to your license profile and included in your list of licenses and permits.
