

— 2024 TOTAL TICKET SALES | \$268,310 —

In 2024, the Hunt for Habitat raffle raised a total of \$268,310. This money has helped complete 5 grazing infrastructure projects improving grazing management on 2,450 acres. One additional grazing infrastructure project is planned to be completed and will improve grazing management on 2,550 acres. Funds were also used to purchase seed and install 150 acres of food plots. One pine thinning/grassland enhancement project has been completed impacting 35 acres and one additional pine thinning/hardwood release project is scheduled to be completed providing benefits to 210 acres. With the projects that have been completed thus far and with the ones scheduled, **these funds will impact approximately 5,400 acres.**
