WHERE THE MONEY GOES

In 2022, the Hunt for Habitat raffle raised a total of \$194,580. This money is being paired with Habitat Stamp funds to complete habitat developments on over 70 Game Production Areas (GPA) across South Dakota. Projects include over 1,600 acres of high diversity native grass and pollinator plantings, 28 acres of tree and shrub plantings, and management practices to improve grassland and forest habitats on over 2,000 acres.
