PLEASE PRINT OR TYPE ALL RESPONSES. A Crossbow/Draw-lock Permit is available to any person who is incapable of using a conventional bow with a minimum draw weight of 30 pounds, due to the loss of use of one or both arms, caused by birth defect, injury, disease, or who uses a wheelchair for mobility.

New and temporary crossbow/draw-lock permit applicants must have Part C of the application form completed and signed by a licensed physician or licensed chiropractor, verifying the applicant's medical condition or disability. The physician's certification (in Part C) is not required for renewal applications issued after 2015.

Applicants can submit applications online through the Go Outdoors SD licensing website, under specialty licenses. Applications can also be processed at any of the GFP regional offices.

LIMITATIONS AND CONDITIONS OF PERMIT: A Crossbow/Draw-lock Permit is available to any person who is incapable of using a conventional bow with a minimum draw weight of 30 pounds, due to the loss of use of one or both arms, caused by birth defect, injury, disease, or who uses a wheelchair for mobility.

- Crossbows used shall have a minimum pull of 125 pounds and be equipped with a functional mechanical safety device.
- A person that is issued a crossbow/draw-lock permit is entitled to use draw-lock device that holds a bow at a partial or full draw.
- The bolts shall be equipped with a broadhead that has at least two metal cutting edges

The crossbow/draw-lock permit must be in possession of the permittee to be valid and does not excuse the permittee from complying with all other laws and regulations. A crossbow/draw-lock permit is not a license. The permittee must still obtain the required hunting license(s) for the desired species to be hunted.

New Crossbow/Draw-lock Permit

Renewal Crossbow/Draw-lock Permit - Previous Permit Number _____ Previous Expiration Date _____

Temporary Crossbow/Draw-lock Permit

New and temporary crossbow/draw-lock applications require a statement signed by a physician's or chiropractor (Part C). The statement must describe the nature of the injury or disability in laymen terms and expected recovery date (if applicable).

Temporary permits may be issued for a maximum of 1 year. Expiration of a temporary crossbow permit is contingent on physician expected date of recovery. Temporary permits may be renewed but will require Part C of the application form to be completed and signed by a licensed physician or licensed chiropractor, verifying the applicant's medical condition or disability.

Permits are renewable 60 days prior to expiration. Renewal permits that were issued prior to 2015 also need a statement signed by a physician's or chiropractor (Part C).

APPLICATION INSTRUCTIONS: I hereby request issuance of a crossbow/draw-lock permit be issued in the name of the applicant. I certify that the above information is accurate and by signing this application, I certify that I have read and understand the limitations and conditions pertaining to this crossbow/draw-lock permit application. I further understand that submitting a false or fraudulent application subjects me to criminal prosecution. I also grant permission to my physician to supply the requested information on this application.
