

# SD GFP BioBlitz 2021!

May 22<sup>nd</sup> - June 6<sup>th</sup>

**What is a BioBlitz?** A BioBlitz is an event that focuses on finding and identifying as many species as possible in a specific area over a short period of time. Finding and identifying species helps contribute to science!

**Who can participate?** Everyone can participate! The more people the better, so tell everyone and help us get the word out!

**How do I sign up?** It's simple. Download the iNaturalist app or visit the iNaturalist website ([inaturalist.org](http://inaturalist.org)). Create or sign into your account and join the project SD GFP BioBlitz 2021.

**Need help?** No worries, we got you covered. Visit the South Dakota Game, Fish and Parks website ([gfp.sd.gov](http://gfp.sd.gov)) and look under the education tab for the SD GFP BioBlitz 2021 event. Here you will find resources with detailed instructions on how iNaturalist works, how to take identifiable photos, and how to post your observations on the platform.
