

#SDintheField BioBlitz!

June 13-28, 2020

What is a BioBlitz? A BioBlitz is an event that focuses on finding and identifying as many species as possible in a specific area over a short period of time. Finding and identifying species helps contribute to science!

Who can participate? Everyone can participate! The more people the better, so tell everyone and help us get the word out!

How do I sign up? It's simple. Download the iNaturalist app or visit the iNaturalist website (<https://www.inaturalist.org/>). Create or sign into your account and join the project #SDintheField.

For more information on the Bio Blitz and prizes visit <https://gfp.sd.gov/education/>
