Solution 2: Copying File Directly to Garmin Oregon, Dakota, and Colorado units.

1. Click Start and go to "Computer."

2. Under my computer, double click (D:) Garmin Oregon (or Colorado/Dakota models)

	min Oregon 🕨	•	€		<u>×</u> ۵

4. Copy gmapsupp.img file to the Garmin folder (this is the file you downloaded and unzipped from the website). Unplug device and refer to Solution 2 to check if map was downloaded successfully.

5. The map will look similar to this if it was successfully installed.
