The Beautiful Black Hills of South Dakota

South Dakota’s George S. Mickelson Trail is more than just a recreation Trail: it is a trail of history. You have the opportunity to travel the same path as General George A. Custer, Wild Bill Hickok, Calamity Jane and Potato Creek Johnny.

Burlington Northern built this rail line over 130 years ago to accommodate the miners who had rushed to the area to pan for gold. In 1983, the rail line was removed from service and this incredible trail was envisioned. After years of planning, hard work, and determination the trail became a reality.

In celebration of the achievement of many forward-thinking individuals and the incredible popularity of the Mickelson Trail Trek, we are introducing the Mickelson Summer Trek.

This Tuesday, Wednesday, Thursday 3-day ride covers almost the entire trail. Registration fee includes- shuttle service, 6 snacks, 2 meals and 2 meal vouchers for dinner in Hill City or Custer and Deadwood.

Riders can enjoy the beauty of the heart of the Black Hills as they travel through the scenic valleys, old railroad tunnels and historic mining towns.

- Deadwood 1-800-999-1876
- Custer 605-673-2244
- Hill City 605-574-2368
- Edgemont 605-662-5900

Another option is to contact Black Hills Vacations. They can book all your travel needs including hotel accommodations, camp site reservations, rental cars, airline reservations, attractions admissions, gaming coupons and more! For more information: 1-800-529-0105 or online at www.blackhillsvacations.com.

About the Trail

The Trail is a former railroad bed that has been resurface with crushed limestone. Due to the moisture, some parts of the trail maybe softer than others, this can make pedaling more difficult in spots. A mountain bike is by far the bicycle of choice. Class 1 & 2 pedal assist e-bikes are allowed on the trail. Keep in mind that there are no charging stations at Rochford and battery charging is up to the individuals.

Weather & Clothing

Elevations along the trail vary from a low 3,400 feet at Edgemont to a height of nearly 6,350 feet near Dumont, so temperatures will vary widely due to changes in the elevation. Temperatures will be cooler in the morning and evenings and warm during the day. It is possible to have mid-afternoon rain and/or hailstorms or even snow.

Be Sure to Remember your Helmet! They are MANDATORY!
Layered clothing is strongly suggested in order to accommodate the weather. Major swings in temperatures can take place in a few minutes.

Make certain you carry all that you need to be comfortable and safe.

It is critical to drink fluids on the ride to avoid dehydration. Bring full water containers and fill them up at every opportunity. It is recommended to wear padded bicycle shorts and gloves for comfort. Riding tights are great for cool mornings and evenings.

**Safety**
- Obey all traffic signs
- Bicycles must yield to pedestrians and everyone yields to horses.
- Stay to the right of the trail except when passing
- Announce “STOPPING” in a loud voice and check behind you as you pull to the side of the trail to stop.
- Always be aware of your surroundings
- Stay on the Trail and be considerate of other users
- All Pets must be leashed
- Do Not disturb wildlife or farm animals
- Avoid disturbing natural resources
- Smoking is prohibited
- All Trail Users 12 and older must have a Trail Pass

Be Sure to Remember your Helmet! They are MANDATORY!
