Group Programs Requirements

Group program requests require a 2 week notice before the desired program date.

Ages are estimates – programs can be adapted to meet the needs of the group.

Preschool through 2nd grade age group programs will typically last 45 minutes. Third grade through adult group programs will last 1-1.5 hours depending on subject.

Groups of 30-60 people will be divided into 2 smaller groups with half taking part in the program while half are taking a self-guided tour. Groups will then switch.

There will be a limited number of dates for groups of 60-100 people who wish to participate in 4-5 hours of varying programming. Call for availability.

You may also choose a program topic from the Community Program brochure for a Group Program.
