LANDOWNER PERMISSION REQUIRED: Permission is required to hunt private land in South Dakota. Every year Game, Fish and Parks receives complaints from hunters who drew a license and couldn't get permission to hunt private land once the season opened. Do not apply just because licenses are available. Have permission to hunt before you apply. If you don't get permission before you apply, you may not be able to get permission during the season.

DRAWING STATISTICS AVAILABLE:

Applicants may access last year's drawing results online gfp.sd.gov/licenses/general-hunt-fish/default. Drawing information will be available from 2018 seasons and 2019 information will be available when the drawing is complete.

APPLY ONLINE: gfp.sd.gov

Applying online is as easy as it has ever been for any type of big game hunting license in South Dakota. Simply visit gfp.sd.gov to apply online. You cannot miss the link from the homepage that says "Purchase/apply for a Hunting/Fishing License." From there, the system walks you through step by step. If you do not already have an account, you will be required to create one. You will begin by selecting a season to apply for and your first choice hunting unit. Please note that you are required to provide a credit or debit card number to finish the transaction. Upon completion and submission of your application, you are then placed directly into the drawing for the unit you selected. Preference points are automatically included if you had any from previous years. To learn more about applying online, a tutorial video is available and will walk you through the process step by step. If you have 10 minutes, take the time to watch this video online at gfp.sd.gov.

CHANGES TO 2019 ARCHERY DEER SEASON

SIGNIFICANT CHANGES FROM 2018

The 2019 archery season will begin on Oct. 1 for nonresidents hunting on public lands, including Walk-in Areas, Conservation Reserve Enhancement Program (CREP) and Controlled Hunting Access Program (CHAP) areas. The Sept.1 start date will remain unchanged for resident archers. The Sept.1 start date remains unchanged for nonresidents hunting on private lands.

The Commission also established an application deadline for 2019 of Aug. 1 for nonresident archery hunters to be eligible to hunt on public land. Any nonresident archery deer application received after Aug. 1, will be for a license valid on private land only. Licensee will not be able to hunt on Walk-In Areas, CREP or CHAP areas with this license if purchased after Aug. 1.

The Commission created 625 access permits (500 resident and 125 nonresident) for Unit 35L, which encompasses much of the Custer National Forest area in Harding County. Archers wanting to hunt in this unit will have to apply for one of these free access permits. Deadline for these free access permits is Aug. 1.

PUBLIC LANDS

Public land includes Game Production Areas, Waterfowl Production Areas, School and Public Lands, Corps of Engineer Land, Bureau of Land Management, Forest Service (National Forests and Grasslands), Refuges, State Parks, and private lands leased for public hunting including Walk-In Areas, CREP and CHAP areas.

APPLICATION REQUIREMENTS

Residency

To apply for a resident license, a person must:

- Have a domicile within South Dakota for at least 90 consecutive days immediately preceding the date of application for, purchasing, or attempting to purchase any hunting, fishing, or trapping license/permit. A domicile is a person's established, fixed, and permanent home to which the person, whenever absent, has the present intention of returning, and
- Make no claim of residency in any other state or foreign country for any purpose, and
- Not claim resident hunting, fishing, or trapping privileges in any other state or foreign country, and
- Prior to any application for any license, transfer to SD the person's driver's license and motor vehicle registrations.

EXCEPTION: The following persons are eligible for resident licenses:

- Any person who previously had a domicile in SD who is absent due to business of the United States or SD, or is serving in the armed forces of the US, or the spouse of an active duty military person;
- Any person who previously had a domicile in SD who is absent due to the person's regular attendance at a post-high school institution as a fulltime student or in a medical or dental residency program;
- Any person in the active military of the US or that person's spouse who is continuously stationed in SD;
- Any person who is a patient in any war veterans' hospital within SD;
- Any person who is an employee of the veterans' administration or any veterans' hospital in SD;

- Any person residing on restricted military reservations in SD;
- Any person attending regularly a post-high school institution in SD as a full-time student for 30 days or more immediately preceding the application;

- Any foreign exchange student who is between the ages of 12 and 16 who has completed the GFP course of instruction in the safe handling of firearms and has been issued a certificate of competency upon completion of instruction and who has resided in SD for 30 days or more preceding application for a license;
- Any person who is a minor dependent of a resident of SD

Termination of Residency

A person (other than a person who fits into one of the previous EXCEPTIONS) is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver's license issued by another state or foreign country; or
- Moves to any other state or foreign country and makes it the person's domicile or makes any claim of residency for any purpose in the other state or foreign country.

APPLICATION REQUIREMENTS (CONTINUED)

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person's respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call (605) 773-6456.

Submitting Applications

Applications may be submitted online or on the forms provided in this pamphlet (the forms may be photocopied), and may be mailed in the self-addressed envelopes provided or in the applicant's envelope. Proper postage must be affixed to the envelope to ensure delivery.

Mail to: GFP License Office, 20641 SD Hwy 1806, Fort Pierre, SD 57532

Successful Applicants

Successful applicants for limited licenses are selected at random by computer lottery.

Preference Points

Seasons with a limited number of licenses have a preference system for applicants who are unsuccessful on their first choice in the first drawing. One point may be earned each year the applicant is unsuccessful. Preference is valid on first choices in the first drawing only. Preference points are automatically credited to an application and even if you do not apply the following year. Preference cannot be transferred to another person and is only valid for the first drawing in the applicant's first unit-type choice. If you have any questions about your preference, please contact our Information Office.

Age Eligibility

- Residents and nonresidents must be 12 years old by Dec. 31 to hunt.
- Residents under age 16 must successfully complete a HuntSAFE course.
- Nonresidents under age 16 must include the certificate number from their hunter safety card, or a current or previous hunting license issued to them from any state.
- Residents and nonresidents who have not completed the HuntSAFE course at the time of application must use a paper application and leave that information blank on the application form. If drawn, their license will be held until the GFP License Office is notified of the HuntSAFE card number once the course has been successfully completed.

- Information on the "Mentored Hunt" program is found in a separate application form.

Submitting Fees

You must submit the appropriate license fee to cover the cost of each season applied for on this multiple application form as well as any preference point fees. One check may be written to cover the cost of all seasons you apply for on this form. We recommend the fee be sent in the form of a personal check, but a cashier's check, money order or cash will be accepted. Cash is not recommended. Make checks payable to "South Dakota Game, Fish and Parks." Payment for applications submitted online must be made with a valid credit card (Visa, MasterCard, American Express). Your credit card will not be charged until you are either, 1) successful in the drawing, or 2) unsuccessful in the drawing but elected to receive a preference point. Nonpayment in the form of a cancelled credit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full. A bad check will either void the license if the draw has not yet occurred; or if the drawing has been completed, it will result in the blocking of any future license purchases until the unpaid fee, along with any bad check fees and penalties are paid in full.

Application Rules

- Applications not properly filled out will be returned.
- You may submit only one application per season for the first drawing and receive no more than one license. See "Application Deadlines" for rules allowing additional licenses.
- Applicants applying for differently priced licenses as first and second choice must include the higher fee. You will receive a partial refund if you draw the lower-priced license.
- Applicants wishing to receive a preference point for seasons in which they are unsuccessful in their first choice, must include appropriate preference point fee.
- Licenses may not be transferred to another person.

Group Applications

- Applications with matching first and second choices, submitted in the same group, will be treated as a group application. All applicants will either be successful or unsuccessful in the drawings.
- Applications submitted in the same group with first or second choices that do not match will be treated as individual applications in the drawings, not as a group application.
- No more than six applications may be submitted in the same group.
- An incomplete application voids all other applications in the group.
- Applicants with preference points should be aware when applying with applicants with fewer preference points: Doing so gives all applicants the lowest point represented in the group.
- Residents and nonresidents may apply together in the same group. Either all in the group will be drawn together or all will be rejected. Residents must submit the resident fee and nonresidents must submit the nonresident fee. This is valid only in seasons and units where both resident and nonresident licenses are available for a specific drawing. It should be noted that in most instances, residents who apply with nonresidents will have a diminished chance of drawing a first-choice license.

APPLICATION INFORMATION

The unit-type designations apply to both resident and nonresident licenses. Use the entire 8-digit number in the first column when filling out "Unit-Type" on the application.

The license fee (except Apprentice Deer) includes a \$6 surcharge established by the South Dakota legislature. Surcharge monies are divided between programs for wildlife damage management and public hunting land access, programs that benefit both landowners and hunters.

TRIBAL LANDS. State licenses are valid on private, deeded lands within the exterior boundaries of an Indian reservation. Persons applying to hunt on Tribal lands should contact the appropriate tribal office concerning tribal lands.

NATIONAL FOREST ROAD TRAVEL. National Forests and Grasslands in South Dakota now have Travel Plans in effect. If you are planning a trip for hunting or recreation please contact the local Forest Service office for your hunting unit to find out which roads, trails, and areas are open for highway and off road motorized travel, and if seasonal restrictions apply. New roads, trails, and areas have been developed and some roads, trails, and areas you may have used in the past may be closed to public use. Recreation fees may apply. Contact US Forest Service for more information.

CHRONIC WASTING DISEASE (CWD)

CHRONIC WASTING DISEASE

Chronic Wasting Disease (CWD) is a fatal disease of the central nervous system found in both captive and free-ranging deer and elk. The South Dakota Department of Game, Fish and Parks (GFP) has been conducting surveillance for CWD since 1997 in an effort to determine disease presence and prevalence across the state.

Chronic wasting disease has been confirmed in the Black Hills (Firearm Units BD1 and BD2), Custer State Park and Prairie Units 02A, 21A, 21B, 27A, 27B and 27L in southwestern South Dakota. The goal of surveillance strategies in South Dakota is to determine the likely spread of CWD to new units where the disease has not been detected in wild, free-ranging deer and elk.

All successful deer hunters in Custer State Park are required to submit samples for CWD testing. Other hunters in South Dakota who would like to get their deer tested for CWD can voluntarily submit a sample for testing. As a voluntary submission, hunters will be responsible for

the cost of shipping and any professional sample collection costs unless the hunter delivers a sample to a GFP Office or sample collection area.

GFP will pay for the testing cost of the sample at South Dakota State University Animal Disease and Research Diagnostics Lab (SDSU ADRDL). Results will be sent to both the hunter and GFP. These results will supplement GFP's surveillance effort across the state. The process for collecting samples from a harvested deer and how to properly submit to SDSU ADRDL can be found at gfp.sd.gov/cwd-testing.

More detailed information on hunter submissions for CWD testing will be mailed to successful firearm applicants in select units prior to the start of the deer hunting seasons.

For additional information on the CWD surveillance program, visit gfp.sd.gov/chronic-wasting-disease or contact the GFP Regional Office in Rapid City at 605.394.2391.

SECOND CENTURY HABITAT FUND

The Second Century Habitat Fund is a nonprofit organization that serves as a resource to landowners and conservation organizations to improve habitat through a working lands program that puts more perennial grass on the landscape which will contribute greatly to duck and pheasant nest success and provide other wildlife benefits. The Fund recognizes the importance of conserving the land, enhancing wildlife populations, and getting the next generation involved in outdoor recreation, while increasing support for habitat. To learn more about the Second Century Habitat Fund or to make a donation visit gfp.sd.gov/donate-to-habitat.

SPORTSMEN AGAINST HUNGER

GFP is cooperating with Sportsmen Against Hunger (SAH) to assist in paying fees for commercial processing of antlerless deer that are donated to the SAH program for needy families. Some things to remember include:

- Processing certificates will be available at participating processors for hunters to use in paying for most or all of the processing costs of donated antlerless deer.
- Processing certificates cannot be used for buck deer, antelope or any other big game but this game can still be donated at hunter processing expense.
- A list of participating processors will be available from the SAH website at jeedtbenefitsd.com or by calling 800.456.2758.

You can support this program by making financial contributions when you submit your license application.

TURN IN POACHERS - (TIPS)

South Dakota's Turn In Poachers (TIPs) is a private, nonprofit organization run by Wildlife Protection Incorporated. The program is funded through donations from the big game license application check-off, private individual/group donations and through court ordered restitution. Rewards are paid in cash once an arrest is made and informants can protect their identity and remain anonymous. Informants are eligible for rewards of up to \$300 for big game cases and up to \$100 for fish and small game cases. Higher rewards may be paid in extreme cases.

Since the Program began, there have been over 11,000 investigations initiated that have resulted in approximately 4,200 arrests. Poachers have paid over \$783,000 in criminal fines and an additional \$597,000 in liquidated civil damages have been assessed to these violators as well. TIPs has paid out more than \$169,000 in cash rewards to individuals that have supplied information that has been critical in achieving these results.
