NEW REGULATIONS FOR CARCASS TRANSPORTATION

AND DISPOSAL OF DEER: Chronic wasting disease (CWD) has been detected in twelve counties including the Black Hills and several West River deer hunting units. A CWD endemic area is defined as any firearm deer hunting unit that includes any portion of a county where CWD has been confirmed. To help reduce the artificial spread of CWD, new carcass transportation and disposal regulations will be in effect for the 2020 deer hunting seasons. **Before applying for licenses, deer applicants are encouraged to view and understand the new regulations.** See the CWD section of this application and visit gfp.sd.gov/2020-cwd-regulations/ for more information.

DEER APPLICATION: All deer seasons available to the public are included in this application, with the exception of Special Buck as that draw takes place earlier in the year and Archery Deer which is a separate application.

APPLICATION FORMS: Two different seasons can be applied for at the same time, on the same form. However, if you prefer to apply at different times or with different forms, an extra one has been provided.

LANDOWNER PERMISSION REQUIRED:

Permission is required to hunt private land in South Dakota. Every year Game, Fish and Parks receives complaints from hunters who drew a license and couldn't get permission to hunt private land once the season opened. Do not apply just because licenses are available. Have permission to hunt before you apply. If you don't get permission before you apply, you may not be able to get permission during the season.

APPLY ONLINE: gfp.sd.gov

Applying online is as easy as it has ever been for any type of big game hunting license in South Dakota. Simply visit gfp.sd.gov to apply online. You cannot miss the link from the homepage that says "Purchase/apply for a Hunting/Fishing License." From there, the system walks you through step by step. If you do not already have an account, you will be required to create one. You will begin by selecting a season to apply for and your first choice hunting unit. Please note that you are required to provide a credit or debit card number to finish the transaction. Upon completion and submission of your application, you are then placed directly into the drawing for the unit you selected. Preference points are automatically included if you had any from previous years. To learn more about applying online, a tutorial video is available and will walk you through the process step by step. If you have 10 minutes, take the time to watch this video online at gfp.sd.gov.

DRAWING STATISTICS AVAILABLE:

Applicants may access last year's drawing results online gfp.sd.gov/licenses/general-hunt-fish/default. Drawing information will be available from 2019 seasons and 2020 information will be available when the drawing is complete.

APPLICATION REQUIREMENTS

Residency

To apply for a resident license, a person must:

- Have a domicile within South Dakota for at least 90 consecutive days immediately preceding the date of application for, purchasing, or attempting to purchase any hunting, fishing, or trapping license/permit. A domicile is a person's established, fixed, and permanent home to which the person, whenever absent, has the present intention of returning, and
- Make no claim of residency in any other state or foreign country for any purpose, and
- Claim no resident hunting, fishing, or trapping privileges in any other state or foreign country, and
- Prior to any application for any license, transfer to SD the person's driver's license and motor vehicle registrations.

EXCEPTION: The following persons are eligible for resident licenses:

- Any person who previously had a domicile in SD who is absent due to business of the United States or SD, or is serving in the armed forces of the US, or the spouse of an active duty military person;
- Any person who previously had a domicile in SD who is absent due to the person's regular attendance at a post-high school institution as a fulltime student or in a medical or dental residency program;
- Any person in the active military of the US or that person's spouse who is continuously stationed in SD;
- Any person who is a patient in any war veterans' hospital within SD;
- Any person who is an employee of the veterans' administration or any veterans' hospital in SD;
- Any person residing on restricted military reservations in SD;
- Any person attending regularly a post-high school institution in SD as a full-time student for 30 days or more immediately preceding the application;
- Any foreign exchange student over 16 years of age attending a public or private high school who has resided in the state for 30 days or more preceding the application;
- Any foreign exchange student who is between the ages of 12 and 16 who has completed the GFP course of instruction in the safe handling of firearms and has been issued a certificate of competency upon completion of instruction and who has resided in SD for 30 days or more preceding application for a license;
- Any person who is a minor dependent of a resident of SD

Termination of Residency

A person (other than a person who fits into one of the previous EXCEPTIONS) is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver's license issued by another state or foreign country; or
- Moves to any other state or foreign country and makes it the person's domicile or makes any claim of residency for any purpose in the other state or foreign country.

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person's respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call (605) 773-6456.

Submitting Applications

Applications may be submitted online or on the forms provided in this pamphlet (the forms may be photocopied), and may be mailed in the self-addressed envelopes provided or in the applicant's envelope. Proper postage must be affixed to the envelope to ensure delivery.

Mail to: *Game, Fish and Parks License Office, 20641 SD Hwy 1806, Fort Pierre, SD 57532*

Successful Applicants

Successful applicants for limited licenses are selected at random by computer lottery.

Unsuccessful Applicants

Unsuccessful applicants will receive a refund check from the State of South Dakota if they applied by paper application. Each member of a group who applied together will receive a separate refund. Members of a group who sent one check will be responsible for reimbursement among themselves. Those who applied online using a credit card will be charged only if they are successful in the drawing. Those unsuccessful will not be charged and there will be no refund required.

Preference Points

Seasons with a limited number of licenses have a preference system for applicants who are unsuccessful on their first choice in the first drawing. One point may be purchased each year the applicant is unsuccessful. Purchased preference points are automatically credited to an application even if you do not apply the following year. Preference cannot be transferred to another person. Applicants can choose to use their preference points for first and/or second choices in the first three draws. If a person chooses to use their preference points, and they are successful in drawing that license, they will lose all accumulated preference points for that season. If a person chooses not to use their preference points and are successful in drawing a license, they will not lose their preference points for that season. As before, preference use is mandatory for the first choice in the first draw. If you have any questions about your preference, please contact our Licensing Office at 605.223.7660.

Note: *Applicants who draw a first-choice license and subsequently refuse to take the license will lose all accumulated preference and eligibility.*

Resident Landowner Preference

(applies only to West River, East River and Black Hills deer seasons)

- Half the resident permits for the seasons listed above are set aside for the first choice in the first drawing for residents who qualify for landowner preference.
- To be eligible for landowner preference, a landowner or tenant must operate at least 160 acres of private land within the unit applied for as first choice.
- "Operate" means: to lease or hold fee title to farm or ranch real property and be directly involved in the management decisions made for agricultural purposes on the farm or ranch.
- "Agricultural purposes" includes the producing, raising, growing, or harvesting of food or fiber upon agricultural land, including dairy products, livestock, crops, timber, and grasslands.
- Land leased solely for hunting, fishing or trapping does not qualify for landowner preference.
- A landowner or tenant, but not both, may claim landowner preference for the same qualifying property.
- Immediate family members are eligible, and include the applicant's spouse and the applicant's children residing with the applicant or on land owned or leased by the resident farmer or rancher.
- Employment on a farm or ranch alone does not qualify an individual for landowner preference.
- Shareholders of a corporation, members of a limited liability company holding a membership interest in the company, partners in a partnership, and beneficiaries of a trust entitled to the current income and assets held in trust; all organized and in good standing under the laws of South Dakota are eligible for landowner preference if:

1. The entity holds title to 160 acres or more of private land located within the hunting unit applied for; *(continued on next page)*

APPLICATION REQUIREMENTS

(Resident Landowner Preference continued)

2. The shareholder, member, partner, or trust beneficiary applying for landowner preference is a resident; and
 3. The shareholder, member, partner, or trust beneficiary has responsibility for making the day-to-day management decisions for agricultural purposes on the farm or ranch.
- Nonresident landowners do not qualify for this preference.

Age Eligibility

- Residents and nonresidents must be 12 years old by Dec. 31 to hunt.
- Residents under age 16 must successfully complete a HuntSAFE course.
- Nonresidents under age 16 must include the certificate number from their hunter safety card, or a current or previous hunting license issued to them from any state.
- Residents and nonresidents who have not completed the HuntSAFE course at the time of application must use a paper application and leave that information blank on the application form. If drawn, their license will be held until the GFP License Office is notified of the HuntSAFE card number once the course has been successfully completed.
- Information on the “Mentored Hunt” program is found in a separate application form.

Submitting Fees

You must submit the appropriate license fee to cover the cost of each season applied for on this multiple application form as well as any preference point fees. One check may be written to cover the cost of all seasons you apply for on this form. We recommend the fee be sent in the form of a personal check, but a cashier's check, money order or cash will be accepted. Cash is not recommended. Make checks payable to “South Dakota Game, Fish and Parks.” Payment for applications submitted online must be made with a valid credit card (Visa, MasterCard, American Express). Your credit card will not be charged until you are either, 1) successful in the drawing, or 2) unsuccessful in the drawing but elected to receive a preference point. Nonpayment in the form of a cancelled credit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full. A bad check will either void the license if the draw has not yet occurred; or if the drawing has been completed, it will result in the blocking of any future license purchases until the unpaid fee, along with any bad check fees and penalties are paid in full.

Group Applications

- Applications with matching first and second choices, submitted in the same group, will be treated as a group application. All applicants will either be successful or unsuccessful in the drawings.
- Applications submitted in the same group with first or second choices that do not match will be treated as individual applications in the drawings, not as a group application.
- No more than six applications may be submitted in the same group.
- An incomplete application voids all other applications in the group.
- Applicants with preference points should be aware when applying with applicants with fewer preference points: Doing so gives all applicants the lowest point represented in the group.
- Residents and nonresidents may apply together in the same group. Either all in the group will be drawn together or all will be rejected. Residents must

submit the resident fee and nonresidents must submit the nonresident fee. This is valid only in seasons and units where both resident and nonresident licenses are available for a specific drawing. It should be noted that in most instances, residents who apply with nonresidents will have a diminished chance of drawing a first-choice license.

Application Rules

- Applications not properly filled out will be returned.
- Applicants applying for differently priced licenses as first and second choice must include the higher fee. You will receive a partial refund if you draw the lower-priced license.
- Applicants wishing to receive a preference point for seasons in which they are unsuccessful in their first choice, must include appropriate preference point fee.
- Licenses may not be transferred to another person.

South Dakota Game, Fish and Parks (GFP) Commission unanimously approved a new deer license allocation proposal that allows a resident hunter to apply for two of the six deer seasons in the first draw. These seasons include: East River/Special Buck, West River/Special Buck, Black Hills, Muzzleloader, Refuge and Custer State Park. Special Buck license holders are limited to one additional application in the first draw if that application was not valid for the same season as their Special Buck license.

Nonresident hunters are still eligible for eight percent of the allocation for West River, Black Hills and Refuge hunting seasons during the first drawing. Other details include:

- In the second draw, a hunter may not apply for a leftover license if they possess two licenses for any of the East River/Special Buck, West River/Special Buck, Black Hills, Muzzleloader, Refuge and Custer State Park deer hunting units in the first draw. A person with one license for these seasons may submit one application for a season they currently do not possess a license.
- In the third draw, a resident hunter (even if they possess 2 licenses) may submit one application for each season they do not possess a license.
- In the fourth draw, resident hunters may submit up to five applications. Only those nonresidents without a license may apply for a license remaining in pools originally designated (8%) for nonresidents (West River, Black Hills or Refuge). Applicants who already have a Special Buck license cannot apply for a Special Buck license in the fourth draw. If an applicant possesses a West River Deer license, they may not apply for a West River Special Buck license in the fourth draw.
- After the fourth draw, all remaining resident and nonresident licenses would be pooled and sold first-come, first-served. There will be no limit on the number of licenses that a person can acquire. However, applicants who already have a Special Buck license cannot apply for any other Special Buck license. If an applicant possesses a West River Deer license, they may not apply for a West River Special Buck license.

In addition, preference points for the combined deer drawings would be free to youth age 15 or younger during the calendar year when the preference point is acquired. A first-time applicant for a combined deer drawing that is or was age 15 or younger in the calendar year of the drawing would receive a bonus preference point for that drawing.

The Commission intends to conduct a comprehensive review of these changes in 2022.

APPLICATION INFORMATION

The unit-type designations apply to both resident and nonresident licenses. Use the entire 8-digit number in the first column when filling out “Unit-Type” on the application.

The license fee (except Apprentice Deer) includes a \$6 surcharge established by the South Dakota legislature. Surcharge monies are divided between programs for wildlife damage management and public hunting land access, programs that benefit both landowners and hunters.

TRIBAL LANDS. State licenses are valid on private, deeded lands within the exterior boundaries of an Indian reservation. Persons applying to hunt on Tribal lands should contact the appropriate tribal office concerning tribal lands.

NATIONAL FOREST ROAD TRAVEL. National Forests and Grasslands in South Dakota now have Travel Plans in effect. If you are planning a trip for hunting or recreation please contact the local Forest Service office for your hunting unit to find out which roads, trails, and areas are open for highway and off-road motorized travel, and if seasonal restrictions apply. New roads, trails, and areas have been developed and some roads, trails, and areas you may have used in the past may be closed to public use. Recreation fees may apply. Contact US Forest Service for more information.

WEST RIVER DEER

• Use the entire 8-digit number in the first column when filling out “Season-Unit-Type” on the big-game application form.

Example:

W	R	D	—	0	2	A	—	0	8	
Season			Unit		Type					

Season Dates: November 14-29, 2020. See unit descriptions for exceptions to season dates for Gregory County.

Antlerless only season: Only those tags specifically designated as “antlerless” are valid from December 12-20. “Any” deer tags do not convert for this antlerless only season.

License Eligibility: Residents and nonresidents are eligible for all units, except individuals who received a West River Special Buck license (Unit WRD-WR1-01 or WRD-WR1-11); these individuals are not eligible to apply until the fourth drawing for residents and after the fourth drawing for nonresidents.

Individual License Quota: See Application Rules on page 3 for information.

APPLICATION DEADLINES

First Deadline - Applications must be postmarked no later than June 12, or apply online by 8 a.m. CDT June 17. Results available online by July 3. One application may be submitted per applicant.

Second Deadline - Applications must be postmarked no later than July 17, or apply online by 8 a.m. CDT July 22. Results available online by July 24.

Third Deadline - Applications must be postmarked no later than Aug. 7, or apply online by 8 a.m. CDT Aug. 12. Results available online by Aug. 14. Those who do not have a license may submit one application.

Fourth Deadline - Applications must be postmarked no later than Aug. 28, or apply online by 8 a.m. CDT Sept. 2. Results available online by Sept. 4. In the fourth draw, residents may submit up to five applications in each deer season.

Leftover Licenses - After the fourth deadline drawings, licenses remaining will be pooled and issued first-come, first-served starting Sept. 10 to both residents and nonresidents. Licenses are available to individuals whether or not they already have a license. An individual may have an unlimited number of West River deer licenses for any unit or combination of units.

CHRONIC WASTING DISEASE

Chronic Wasting Disease (CWD) is a fatal disease of the central nervous system found in both captive and free-ranging deer and elk. The South Dakota Department of Game, Fish and Parks (GFP) has been conducting surveillance for CWD since 1997 to determine disease presence and prevalence across the state. Chronic wasting disease has been confirmed in Bennett, Butte, Corson, Custer, Fall River, Haakon, Harding, Jackson, Meade, Lawrence, Pennington and Tripp counties in western South Dakota.

The GFP Commission has created the following regulations for the transportation and disposal of deer and elk carcasses from other states and from hunting units within South Dakota’s confirmed CWD endemic area. The new regulations will go into effect for the 2020 hunting seasons.

- Chronic Wasting Disease endemic area defined: Includes any firearm deer hunting unit that includes any portion of a county where chronic wasting disease has been confirmed. In addition, any deer harvested during the archery, muzzleloader, apprentice and mentor deer seasons within a county where chronic wasting disease has been confirmed would be subject to carcass transportation and disposal regulations.
- Interstate cervid carcass transportation restriction: Whole or partial cervid carcasses and head with antlers attached may not enter this state unless delivered to a licensed taxidermist, a game processor, or to the hunter’s domicile. Cervid carcasses passing through the state are exempt from this section.
- Intrastate cervid carcass transportation restriction: Whole or partial cervid carcasses and head with antlers attached may not be transported from an endemic area unless delivered to a licensed taxidermist, a game processor, or to the hunter’s domicile.
- Carcass disposal for hunter-harvested cervid: A person who transports cervid carcass parts from outside this state shall dispose of all remaining cervid carcass parts through a waste management provider or a permitted landfill. A person who transports cervid carcass parts from an endemic area in this state shall dispose of all remaining cervid carcass parts through a waste management provider or a permitted landfill. Cervid carcasses taken from an endemic area in this state that test negative for the disease are exempt from this section.

The goal of surveillance strategies in South Dakota is to determine the likely spread of CWD to new units where the disease has not been detected in wild, free-ranging deer and elk. Hunters who would like to get their deer tested for CWD can voluntarily submit a sample for testing. As a voluntary submission, hunters will be responsible for the cost of shipping and any professional sample collection costs unless the hunter delivers a sample to a GFP Office or sample collection area. GFP will pay for the testing cost of the sample at South Dakota State University Animal Disease and Research Diagnostics Lab (SDSU ADRDL). Results will be sent to both the hunter and GFP. These results will supplement GFP’s surveillance effort across the state. The process for collecting samples from a harvested elk or deer (same process) and how to properly submit to SDSU ADRDL can be found at gfp.sd.gov/cwd-testing.

More detailed information on hunter submissions for CWD testing and new carcass transportation and disposal requirements will be mailed to all deer license holders prior to the start of the season. More information on these new regulations can be found at gfp.sd.gov/2020-cwd-regulations.

CONSIDER A DONATION

SECOND CENTURY HABITAT FUND

The Second Century Habitat Fund is a nonprofit organization that serves as a resource to landowners and conservation organizations to improve habitat through a working lands program that puts more perennial grass on the landscape which will contribute greatly to duck and pheasant nest success and provide other wildlife benefits. The Fund recognizes the importance of conserving the land, enhancing wildlife populations, and getting the next generation involved in outdoor recreation, while increasing support for habitat. To learn more about the Second Century Habitat Fund or to make a donation visit gfp.sd.gov/donate-to-habitat.

SPORTSMEN AGAINST HUNGER

GFP is cooperating with Sportsmen Against Hunger (SAH) to assist in paying fees for commercial processing of antlerless deer that are donated to the SAH program for needy families. Some things to remember include:

- Processing certificates will be available at participating processors for hunters to use in paying for most or all of the processing costs of donated antlerless deer.
- Processing certificates cannot be used for buck deer, antelope or any other big game but this game can still be donated at hunter processing expense.
- A list of participating processors will be available from the SAH website at feedtheneedsd.com or by calling 800.456.2758.

You can support this program by making financial contributions when you submit your license application.

TURN IN POACHERS - (TIPS)

South Dakota's Turn In Poachers (TIPs) is a private, non-profit organization run by Wildlife Protection Incorporated. The program is funded through donations from the big game license application check-off, private individual/group donations and through court ordered restitution. Rewards are paid in cash once an arrest is made and informants can protect their identity and remain anonymous. Informants are eligible for rewards of up to \$300 for big game cases and up to \$100 for fish and small game cases. Higher rewards may be paid in extreme cases.

Since the Program began, there have been over 11,000 investigations initiated that have resulted in approximately 4,200 arrests. Poachers have paid over \$783,000 in criminal fines and an additional \$597,000 in liquidated civil damages have been assessed to these violators as well. TIPs has paid out more than \$169,000 in cash rewards to individuals that have supplied information that has been critical in achieving these results.

BIG GAME APPLICATION FORM

Please follow instructions on the opposite side of this page. Detach and mail this completed page with the appropriate fee.

You may apply for multiple seasons with this form.

You must first read the attached information and follow application instructions. Applications with errors will be rejected.

You may find the most convenient method is to apply using the online system offered by GFP at its website: gfp.sd.gov. Click on the link that invites you to apply for limited license seasons and follow the instructions. Your application will be submitted directly into the license lottery system without mail time or further handling. If errors occur, you will be prompted to correct them before proceeding.

Print all information one letter or number per box. Do not tape, staple or paper clip forms and fees.

APPLICATION INSTRUCTIONS

- 1. Season/Unit Type Choices:** Fill in your unit-type choice from the choices provided with each season. Additional choices, for those seasons that allow additional choices, are optional. You may apply for multiple seasons with this form. Select a preference point option for each season. Preference points are only available for your first choice of each season. If you select “yes” make sure to include the appropriate fee. You would only need to fill out one form and provide one check to cover the cost of all applications plus any preference point fees. If you select “no”, or do not include the correct preference point fee, you will not receive a preference point if you are unsuccessful in your first choice for each season. Please remember, if you are applying together in the same envelope with other individuals, all unit choices must be identical or the application will be rejected. If you qualify for and want landowner/operator preference, you must provide the legal description of the land that qualifies you. By completing the land descriptions, you are declaring that you qualify for landowner/operator preference as explained under APPLICATION REQUIREMENTS of this document and are applying for a license using that requirement. Nonresidents do not qualify for landowner/operator preference. Landowner preference applies to first choice only for a specific season. Applicants can choose to use their preference points for first and/or second choices in the first three draws. If a person chooses to use their preference points, and they are successful in drawing that license, they will lose all accumulated preference points for that season. If a person chooses not to use their preference points and are successful in drawing a license, they will not lose their preference points for that season. As before, preference use is mandatory for the first choice in the first draw. **New for 2020:** Habitat stamp is required anyone 18 or older applying for or purchasing a hunting or fishing license. If you have not already purchased a habitat stamp, please include the \$10/resident or \$25/nonresident fee in addition to your application fee. Applicants who have not purchased a habitat stamp and do not include the fee for the habitat stamp will have their application returned.
- 2. Residency:** Check the appropriate box to indicate that you qualify and are applying as a resident, or applying as a nonresident.
- 3. Social Security Number:** Last four digits only. This information is required by state law and applications that do not include the SSN will be rejected. See information under “application requirements.”
- 4. Date of Birth:** Enter your date of birth, month first, followed by day and year. For example, a birth date of March 8, 1971, would be entered 03-08-1971.
- 5. Driver License or Identification Card Number:** If you possess one, please enter your driver’s license number, even if it duplicates your Social Security Number. Residents over age 16 without a driver’s license must enter your state-issued and expiration-dated South Dakota ID card number. Include the two-letter abbreviation for the state or province your driver’s license was issued from. Youth without a driver’s license or ID card number, see instruction No. 7.
- 6. Print Name:** Print your complete name, with FIRST NAME first, followed by middle initial and last name. Leave a space between each.
- 7. HuntSAFE Card Number:** This number must be entered for resident youth ages 12-15. Nonresident youth are required to use their hunter safety card number or the number of a current or previous hunting license issued to them from any state. If the hunter safety course has not been taken at the time of application, but will be completed before the hunt, leave this blank. If drawn, the license will be held until the License Office is notified of the HuntSAFE card number after the course has been successfully completed.
- 8. Mailing Address:** Licenses and refunds will be mailed to the address provided on the application. Those returned as “undeliverable” will be held in the License Office until a correct address is provided.
- 9. Phone Number:** Enter your daytime phone number. This information is kept confidential and is used only for contacting and/or surveying hunters.
- 10. E-mail Address:** This information is optional, but is helpful if there is a need to contact or send updates on information. We request that you fill this out if you have a personal e-mail address.
- 11. Gender:** Check the appropriate box.
- 12. Mailing List Opt-Out:** Applications are considered “public record” and from time to time the Game, Fish and Parks Commission receives requests from groups and businesses for these names and addresses. If you wish to keep your name from appearing on these lists, you may check this box. You will still be included in official GFP mailings such as season surveys.
- 13. Suspended Privileges:** Any person who has had hunting, fishing or trapping privileges revoked or suspended in any state or country may not purchase a preference point or license for or exercises that same privilege in South Dakota during the period of the revocation or suspension.
- 14. Donate To Second Century Habitat Fund, TIPS or SAH:** You may make a donation to the Second Century Habitat Fund, Turn In Poachers (TIPS) or Sportsmen Against Hunger (SAH) programs by checking one of the blanks at the bottom of the application and including an amount greater than the license fee in your payment. Any amount over the license fee will be donated to the selected program when one of the boxes is checked. If neither of the boxes is checked, the overpayment will be refunded. Your contributions are tax deductible. See page 17 for program descriptions.
- 15. Sign Application:** This application must be signed to be valid. A parent or guardian must sign the application for youth under age 16. Applications that are not signed will not be processed for a license.

*Review your application form to make certain all required information is completed and accurate.

BIG GAME APPLICATION FORM

Please follow instructions on the opposite side of this page. Detach and mail this completed page with the appropriate fee.

You may apply for multiple seasons with this form.

You must first read the attached information and follow application instructions. Applications with errors will be rejected.

You may find the most convenient method is to apply using the online system offered by GFP at its website: gfp.sd.gov. Click on the link that invites you to apply for limited license seasons and follow the instructions. Your application will be submitted directly into the license lottery system without mail time or further handling. If errors occur, you will be prompted to correct them before proceeding.

New Habitat Stamp

A habitat stamp is required for anyone 18 years of age or older who purchases or applies for a hunting, fishing or furbearer license. This includes both residents and nonresidents. The habitat stamp must be purchased before obtaining or applying for a license or at the time of a license sale or application. If you have not already purchased a habitat stamp, please include the \$10/resident or \$25/nonresident fee in addition to your application fee. Applicants who have not purchased a habitat stamp and who do not include the fee for the habitat stamp will have their application returned.

NOTE: Your check total should include the largest price of licenses applied for above, and the price of a preference point as described in the preference point option above.
