APPLY ONLINE:

Applying online is as easy as it has ever been for any type of big game hunting license in South Dakota. Simply visit gfp.sd.gov to apply online. Click on "Licenses," and "Purchase License" to purchase/apply for a Hunting/Fishing License. From there, the system walks you through step by step. If you do not already have an account, you will be required to create one. You will begin by selecting a season to apply for and your first choice hunting unit. Please note that you are required to provide a credit or debit card number to finish the transaction. Upon completion and submission of your application, you are then placed directly into the drawing for the unit you selected. Preference points are automatically included if you had any from previous years.

Termination of Residency

A person (other than a person who fits into one of the previous EXCEPTIONS) is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver's license issued by another state or foreign country; or

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person's respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call 605-773-6456.

Age Eligibility

- Residents and nonresidents must be 12 years old by Dec. 31, 2021.
- Residents under age 16 must successfully complete a HuntSAFE course.
- Nonresidents under age 16 must include the certificate number from their hunter safety card, or a current or previous hunting license issued to them from any state.
- Residents and nonresidents who have not completed the HuntSAFE course at the time of application must use a paper application and leave that information blank on the application form. If drawn, their license will be held until the GFP License Office is notified of the HuntSAFE card number once the course has been successfully completed.
- Information on the “Mentored Hunt” program is found in a separate application form.

Submitting Fees

You must submit the appropriate license fee to cover the cost of each season applied for on this multiple application form as well as any preference point fees. One check may be written to cover the cost of

all seasons you apply for on this form. We recommend the fee be sent in the form of a personal check, but a cashier’s check, money order or cash will be accepted. Cash is not recommended. Make checks payable to “South Dakota Game, Fish and Parks.” Payment for applications submitted online must be made with a valid credit card (Visa, MasterCard, American Express). Your credit card will be charged once you apply. Nonpayment in the form of a cancelled credit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full. A bad check will either void the license if the draw has not yet occurred; or if the drawing has been completed, it will result in the blocking of any future license purchases until the unpaid fee, along with any back check fees and penalties are paid in full.

Application Rules

- Applications not properly filled out will be returned.
- Licenses may not be transferred to another person.

REDUCED-PRICE LICENSE APPLICATION INFORMATION

New for 2021: A limited number of reduced-priced East River licenses are now available to qualifying nonresidents. A separate application is available for these licenses and qualified applicants must apply online.

LANDOWNER ELIGIBILITY

Resident

Qualifying resident landowners and “owner/operators,” and any “immediate family” living at home, who have not been issued a big game license that permits the harvest of a buck during the West River Deer, West River Special Buck, East River Deer, East River Special Buck, Black Hills Deer, or Firearms Antelope seasons may obtain a reduced-price license to hunt on land owned or leased by the qualifying resident for the specified season and unit.

Qualifying resident landowners and “owner/operators” may purchase one “any deer” license or a two-tag license (“any deer” and “any antlerless deer”) for the West River, East River, and Black Hills Deer seasons, and one “any antelope” or a two-tag license (“any antelope” and “any doe/fawn antelope”) for the Firearms Antelope season.

Resident landowners must own or lease for “agricultural purposes” a minimum of 160 acres of privately-owned land and actually reside on the land, or be an “owner/operator” of the land to qualify. A qualifying landowner or tenant, but not both, may apply for the same qualifying property. Employment on a farm or ranch alone does not qualify an individual for this license.

Nonresident

Qualifying nonresident landowners and “owner/operators,” and any “immediate family” living at home, who have not been issued a big game license that permits the harvest of a buck during the West River Deer, West River Special Buck, or Firearms Antelope seasons may obtain a reduced-price license to hunt on land owned or leased by the qualifying nonresident for the specified season and unit. Nonresident landowners can only obtain a license to harvest a buck on their own land in East River Deer via a lottery drawing (see Nonresident East River application).

Qualifying nonresident landowners and “owner/operators” may purchase one “any deer” license or a two-tag license (“any deer” and “any antlerless deer”) for the West River Deer season. Qualifying nonresident landowners and “owner/operators” may apply for one

“any antelope” or a two-tag license (“any antelope” and “any doe/fawn antelope”) for the Firearms Antelope season.

- **West River Deer:** Nonresident landowners must own for “agricultural purposes” a minimum of 640 contiguous acres and be an “owner/operator” of the land to qualify. Nonresident landowners are eligible for a West River reduced-price license if eligibility requirements are met.

SECOND CENTURY HABITAT FUND

The Second Century Habitat Fund is a nonprofit organization that serves as a resource to landowners and conservation organizations to improve habitat through a working lands program that puts more perennial grass on the landscape which will contribute greatly to duck and pheasant nest success and provide other wildlife benefits. The Fund recognizes the importance of conserving the land, enhancing wildlife populations, and getting the next generation involved in outdoor recreation, while increasing support for habitat. To learn more about the Second Century Habitat Fund or to make a donation visit gfp.sd.gov/donate-to-habitat.

SPORTSMEN AGAINST HUNGER

GFP is cooperating with Sportsmen Against Hunger (SAH) to assist in paying fees for commercial processing of antlerless deer that are donated to the SAH program for needy families. Some things to remember include:

- Processing certificates will be available at participating processors for hunters to use in paying for most or all of the processing costs of donated antlerless deer.
- Processing certificates cannot be used for buck deer, antelope or any other big game but this game can still be donated at hunter processing expense.
- A list of participating processors will be available from the SAH website at feedtbeneedsd.com or by calling 800.456.2758.

You can support this program by making financial contributions when you submit your license application.

TURN IN POACHERS - (TIPS)

South Dakota's Turn In Poachers (TIPs) is a private, non-profit organization run by Wildlife Protection Incorporated. The program is funded through donations from the big game license application check-off, private individual/group donations and through court ordered restitution. Rewards are paid in cash once an arrest is made and informants can protect their identity and remain anonymous. Informants are eligible for rewards of up to \$300 for big game cases and up to \$100 for fish and small game cases. Higher rewards may be paid in extreme cases.

Since the Program began, there have been over 11,000 investigations initiated that have resulted in approximately 4,200 arrests. Poachers have paid over \$783,000 in criminal fines and an additional \$597,000 in liquidated civil damages have been assessed to these violators as well. TIPs has paid out more than \$169,000 in cash rewards to individuals that have supplied information that has been critical in achieving these results.
