APPLY ONLINE: gfp.sd.gov

Applying online is easy. Visit gfp.sd.gov, click "Licenses," and then "Purchase License." From there, the system walks you through step by step. If you do not already have an account, you will be required to create one. You will begin by selecting a season to apply for and your first choice hunting unit. Please note that you are required to provide a credit or debit card number to finish the transaction. Upon completion and submission of your application, you are then placed directly into the drawing for the unit you selected. Preference points are automatically included if you had any from previous years.

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver's license issued by another state or foreign country;
- Moves to any other state or foreign country and makes it the person's domicile or makes any claim of residency for any purpose in the other state or foreign country.

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person's respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Department of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call 605.773.6456.

Age Eligibility

- Applicants under age 16 must successfully complete a HuntSAFE course.
- Applicants who have not completed the HuntSAFE course at the time of application must use a paper application in all draws and leave that information blank on the application form. If drawn, their license will be held until the GFP License Office is notified of the HuntSAFE card number once the course has been successfully completed.

A \$10 nonrefundable application fee will be charged at the time of application. Your credit/debit card will not be charged the full fee until, and only if you are successful in the drawing. Nonpayment in the form of a cancelled credit/debit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full.

Submitting Applications

Applications may be submitted online only.

Successful Applicants

Successful applicants for limited licenses are selected at random by computer lottery.

Unsuccessful Applicants

Those who applied online using a credit card will be charged the \$10 nonrefundable application fee and only be charged the full license fee if they are successful in the drawing.

Preference Points

Bighorn sheep and mountain goat seasons have a preference point system for applicants who are unsuccessful on their first choice in the first draw. One preference point is earned each year the applicant is unsuccessful. Preference points are valid on first choices in the first drawing. Preference points are automatically credited to an application by the computer system. Preference points are maintained by the computer system even if you do not apply the following year. Preference points cannot be transferred to another person. If you have any questions about your preference points, please contact our Information Office.
