APPLICATION REQUIREMENTS

Termination of Residency

A person is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver’s license issued by another state or foreign country; or
- Moves to any other state or foreign country and makes it the person’s domicile or makes any claim of residency for any purpose in the other state or foreign country.

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person’s respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential and is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor’s Drive - Kneip Building, Pierre SD 57501, or call 605.773.6456.

Age Eligibility

- Nonresidents must be 12 years old by Dec. 31, 2023 to hunt.
- Nonresidents under age 16 must successfully complete a HuntSAFE course.
- Nonresidents under age 16 must include the certificate number from their hunter safety card, or a current or previous hunting license issued to them from any state.
- Nonresidents who have not completed the HuntSAFE course at the time of application must leave their HuntSAFE number blank within their profile, but they can still apply. If successful in the draw, their license will be held until the GFP License Office is notified of the HuntSAFE card number once the course has been successfully completed.
- Information on the “Mentored Hunt” program is found in a separate application form.

Fees

Payment for online applications must be made with a valid credit/debit card (Visa, MasterCard, Discover, American Express). Your credit/debit card will not be charged the full fee until, and only if you are successful in the drawing. Nonpayment in the form of a cancelled credit/debit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full.

Application Rules

- Licenses may not be transferred to another person.
