APPLY ONLINE: gfp.sd.gov

Applying online is required. Visit gfp.sd.gov, click the “Licenses” link, then “Purchase License.” From there, the system walks you through step by step. If you do not already have an account, you will be required to create one. You will begin by selecting a season and your first-choice unit. Please note that you are required to provide a credit or debit card number to finish the transaction. Upon completion and submission of your application, you are placed directly into the drawing for the unit you selected. Preference points are automatically included if you possess preference points from previous years.

APPLICATION REQUIREMENTS

Residency

To apply for a resident license, a person must:

- Have a domicile (person’s established, fixed, and permanent home to which the person, whenever absent, has the present intention of returning) within South Dakota for at least 90 consecutive days immediately preceding the date of application for, purchasing, or attempting to purchase any hunting, fishing, or trapping license/permit; and
- Make no claim of residency in any other state or foreign country for any purpose; and
- Claim no resident hunting, fishing, or trapping privileges in any other state or foreign country; and
- Prior to any application for any license, transfer to SD the person’s driver’s license and motor vehicle registrations.

EXCEPTION: The following persons are eligible for resident licenses:

- Any person who previously had a domicile in SD who is absent due to business of the United States or SD, or is serving in the armed forces of the US or the spouse of an active duty military person;
- Any person who previously had a domicile in SD who is absent due to the person’s regular attendance at a post-high school institution as a full-time student; or is in medical or dental school residency;
- Any person in the active military of the US or that person’s spouse who is continuously stationed in SD;
- Any person who is a patient in any war veterans’ hospital within SD;
- Any person who is an employee of the veterans’ administration or any veterans’ hospital in SD;
- Any person residing on restricted military reservations in SD;
- Any person attending regularly a post-high school institution in SD as a full-time student for 30 days or more immediately preceding the application;
- Any foreign exchange student over 16 years of age attending a public or private high school who has resided in the state for 30 days or more preceding the application;
- Any person who is a minor dependent of a resident of SD.

Termination of Residency

A person (*other than a person who fits into one of the previous EXCEPTIONS*) is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver’s license issued by another state or foreign country;
- Moves to any other state or foreign country and makes it the person’s domicile or makes any claim of residency for any purpose in the other state or foreign country.

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the

license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person’s respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your Social Security Number are required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services, Division of Child Support, 700 Governor’s Drive - Kneip Building, Pierre SD 57501, or call 605-773-6456.

Age Eligibility

There is no age restriction on applicants for paddlefish seasons and no hunter safety requirement.

Fees

Online payment for applications must be made with a valid credit card (Visa, MasterCard, Discover, or American Express). Your credit card will not be charged until, and only if you are successful in the drawing. Non-payment in the form of a cancelled/invalid credit card will result in your license being withheld and the blocking of any future license purchases until the unpaid fee, along with any penalties, is paid in full.

Application Rules

- You may submit only one application per season for the first drawing and receive no more than one license. See “Application Deadlines” for rules allowing additional licenses.
- Licenses may not be transferred to another person.

Group Applications

- Applications must have matching first and second choices.
- No more than six applicants may be in the same group.
- Applicants with preference points should be aware that when applying with applicants with fewer preference points, the lowest preference point balance is then represented within the entire group.
- Residents and nonresidents may apply together in the same group in seasons where nonresidents are eligible to apply. Either all in the group will be successfully drawn together or all will be unsuccessful. It should be noted that in most instances, residents who apply with nonresidents will have a diminished chance of drawing a first-choice license.

Submitting Applications

Applications must be submitted online. In the case where an online application is not possible, applicants can visit a GFP office or call 605.233.7660. Mailed-in applications will NOT be accepted.

Successful Applicants

Successful applicants for limited licenses are selected at random by computer lottery.

Unsuccessful Applicants

Unsuccessful applicants will not be charged a license fee, unless there is an application fee or a Habitat Stamp purchase is required.

Preference Points

A fee (\$5 resident, \$10 nonresident) is required for all preference points. Purchasing a preference point is optional. Unsuccessful first choice applicants will not receive a preference point unless checked during the online application process. There is no minimum age to obtain preference points.

Seasons with a limited number of licenses have a preference point system for applicants who are unsuccessful on their first choice in the first drawing. One preference point may be purchased each year the applicant is unsuccessful. Preference points use is required on all first choices in the first drawing only. Preference points cannot be transferred to another person and are only valid for the first drawing in the applicant's first unit-type choice. If you have any questions about your preference points, please contact GFP's Information Office.
