HUNTING 101

Who wants to learn to deer hunt ? This year we will once again be taking participants out deer hunting. We will be going to the gun range to get comfortable shooting then we go on a deer hunt.

The goal of this class is to introduce and/or make students/families more comfortable hunting in hopes of building a lifelong passion for hunting. We will be looking for families that are interested in participating and will set up a time to interview and answer any questions you may have.

Parents/guardians are required to attend. This is available to anyone 10 years and up. Adults are encouraged to sign up as well.

If you think this is something that may interest you, please contact Derek at 605.362.2732 or email: derek.klawitter@state.sd.us.
