## WHERE THE MONEY GOES

In 2020, the Hunt for Habitat raised a total of \$392,270. This money will improve habitat across all four regions of South Dakota, including additional grassland restorations, woody habitat improvements and perennial pollinator plot projects to start this fall and be completed in 2021. These projects will improve 27 Game Production Areas (GPA) in 18 counties and improve 6,550 acres.
