

# 2018 SPRING WILD TURKEY REGULATIONS

## TURN IN POACHERS - TIPS Hotline 1-888-OVERBAG (1-888-683-7224)

*It is important that you read and understand all regulations before your hunt. The following regulations apply to taking, possessing, transporting and storing big game during established seasons. Questions on specific regulations should be directed to the South Dakota Game, Fish and Parks.*

### THE LICENSE

- The big game license is an "all-in-one" form. The lower portion is the tag and the upper portion is the license with general information about the licensee. A licensee must carry both portions while hunting the specified season. A licensee may not take more big game than is allowed by the license or kill a big game animal not specifically authorized by the license. The license and tag may not be transferred and the license must be in the licensee's possession while hunting.

- You may retain the upper portion of the big game license and use it through Jan. 31, 2019, to hunt prairie dogs, coyotes, red fox, gray fox, skunks, gophers, jackrabbits, crow (in season), ground squirrels, porcupines, raccoons, badgers, and marmots. Big game licensees who have filled their tags may continue to carry a legal weapon with their group for the purpose of hunting these other allowed species.

### DEFINITIONS:

- **Any Wild Turkey:** a dark turkey that bears the characteristics of a Merriam's, Rio Grande or Eastern turkey.

- **Male turkey:** a wild turkey with a visible beard or spurs. The beard is a feathered appendage protruding from the breast.

- **Hen turkey:** a wild turkey without a visible beard or spurs.

- **Firearm big game license:** defined as any license that authorizes the licensee to use a firearm, including a muzzleloading firearm, in the taking of big game animals.

**TAGGING AND TRANSPORTATION:** The tag you receive with your license must be signed, dated and securely attached to the leg of the big game animal at the time it is brought to a road or into any hunting camp, farmyard, or residence, or before it is placed in or on a vehicle.

- The locking seal issued with each big game license is an adhesive tag. You must sign your tag, and date it by cutting out completely the month and date of kill only. Attach the tag securely around one leg of a turkey.

- Tagging allows a big game animal to be transported and stored by the hunter or another person for the hunter.

- Wild turkeys, unless processed at a wildlife processing facility and accompanied by the receipt, or at the domicile of the possessor, shall include the attached leg and foot bearing the tag issued with the license. Any wild turkey without spurs lawfully taken under a male turkey license, shall also have the visible beard attached. The leg and foot, and beard if required, shall remain naturally attached to the carcass at all times while being transported from the place where taken until the carcass has arrived at the permanent residence of the possessor.

- Big game taken in another state or on a tribal license must be properly tagged when transported within South Dakota. If no tag was issued, the person in possession of the animal must provide proof the animal was lawfully taken.

### NONLICENSEES/ACCOMPANIMENT

#### (Firearm Big Game Licensee):

No person possessing a firearm, including a muzzleloading firearm, or a bow and arrow may accompany a big game hunter in the field or cooperate as part of a big game hunting group unless the accompanying person possesses a big game license that is valid for the same geographic area and time of year as the licensee. This restriction does not apply to any person who is carrying a pistol and possesses a valid concealed pistol permit, nor does it apply to a person who is legally licensed to hunt small game (or exempt from license requirements as provided by SDCL 41-6-2) and hunting only with a shotgun using shotshells. A person hunting small game and accompanying a licensed firearm big game hunter in the field may not use dogs while accompanying a big game hunter.

#### (Archery-only Big Game Licensee):

No person who is licensed in a season restricted to archery only may:

- (1) Possess a firearm in the field while hunting with bow and arrow, except if the person is carrying a pistol and possesses a valid concealed pistol permit;
- (2) Be accompanied in the field by a person possessing a firearm except if the person is carrying a pistol and possesses a valid concealed pistol permit; or
- (3) Be accompanied in the field by a person carrying a bow and arrow (or crossbow) if the person does not possess an archery big game license that is valid for the same geographic area and time of year as the licensee.

**JUVENILES:** Juveniles under age 16 must be accompanied by a parent, guardian or other responsible adult while hunting. The adult must be unarmed except if the adult possesses a firearm big game license that is valid for the same geographic area and time of year as the youth hunter or the adult is carrying a pistol and possesses a valid concealed pistol permit. Adults supervising a mentored hunt may not carry a firearm except as allowed by a concealed pistol permit.

### LEGAL FIREARMS

No self-loading or auto-loading firearm that holds more than six cartridges may be used to hunt, pursue, shoot at, shoot, kill, or wound any big game animal. No firearm that is capable of being operated as a full automatic may be used to hunt, shoot, shoot at, wound, kill, or pursue any big game or small game animal. For shotguns that discharge a single ball or rifled slug, the single ball or rifled slug must weigh at least one-half ounce. Buckshot is prohibited. Airbow-type weapons are prohibited.

Any person holding a license to take a wild turkey during the firearm season may take the animal by using a crossbow in lieu of a firearm. Crossbow is defined as a device for propelling a bolt by means of traverse limbs mounted on a stock and string. The crossbow may be drawn, held, and released by a mechanical device and must have at least 125 pounds pull and have a working mechanical safety. Telescopic sights are permitted.

**Turkey** - Shoulder-held firearms using ammunition which is factory-rated to produce at least 700 foot-pounds of energy at the muzzle and handguns using ammunition which is factory-rated to produce at least 500 foot-pounds of energy at the muzzle may be used to hunt of wild turkeys. Muzzleloading firearms of at least .44 caliber and muzzleloading shotguns may also be used in the hunting of wild turkeys.

**Note:** Hunters filling big game tags that are not restricted to archery may use any of the weapons described under "Legal Firearms" or "Archery Equipment Restrictions" or any combination of weapons.

### ARCHERY EQUIPMENT REQUIREMENTS

*A person hunting with bow and arrow may not use or possess any of the following:*

- Explosive, poisonous, hydraulic or pneumatic points;
- Crossbows and draw-lock devices that hold the bow at partial or full draw except for individuals who qualify and possess a valid crossbow/draw-lock permit;
- Arrow rests that have more than three inches of continuous contact with the arrow;
- Electronic devices mounted to the bow that aid in the taking of game. However, cameras, video cameras, cell phones used exclusively for photographic purposes, lighted sight pins and illuminated arrow nocks may be used;
- Electronic arrow or electronic string releases;

- Compound bows with a let off of more than 80 percent;
- Compound bows shorter than 28 inches as measured from the top of the upper wheel or cam to the bottom of the lower wheel or cam;
- Telescopic sights;
- An arrow, including the attached broadhead, weighing less than 275 grains when hunting a big game animal;
- An arrow that is less than 26 inches long when measured from the notch of the nock to the end of the shaft, not including the blunt or broadhead;
- An arrow without a broadhead (fixed or mechanical) that has at least two metal cutting edges when hunting a big game animal, except blunt points may be possessed and used when hunting a turkey and both field points and blunt points may be possessed and used when hunting small game or at any time when possessed and used as practice arrows;
- A bow that measures less than 50 pounds pull when hunting an elk with a mechanical broadhead or a bow that measures less than 40 pounds pull when hunting any other big game animal with a mechanical broadhead; or
- A bow that measures less than 40 pounds pull when hunting an elk with a fixed blade broadhead or a bow that measures less than 30 pounds pull when hunting any other big game animal with a fixed blade broadhead.

**BOWHUNTER EDUCATION REQUIREMENT:** All big game archery licensees under 16 and all first-time archery big game licensees, regardless of age, must possess a National Bowhunter Education Foundation certificate or certificate of completion from a bowhunter education course approved by any state or provincial government. Those under 16 must also possess the standard HuntSAFE Card.

### GENERAL RESTRICTIONS

- No one may hunt big game on interstate highways or controlled access facilities.

- No one may discharge a firearm, muzzleloader, crossbow or bow and arrow at any big game animal, except turkey to be taken with a shotgun using shotshells or with a bow and arrow, from within the right-of-way of an improved public highway.

- No one may hunt big game, except turkey as described above, on a section line or other highway if the right-of-way has been commonly used by the public for vehicular travel as demonstrated by the existence of a well-worn trail or if an intentional alteration has been made to the right-of-way to enhance the natural terrain's utility for vehicular travel or to permit vehicular travel where it was not previously possible.

- No one may establish, utilize, or maintain a bait station from Aug 15 - Feb 1, inclusive, and from March 15 - May 31, inclusive, to attract any big game animal (including turkey). A bait station is a location where grains, fruits, vegetables, nuts, hay, minerals (including salt) or any other natural food materials, commercial products containing natural food materials or by-products of such materials are placed or maintained as an attractant to big game animals for the purpose of hunting. The use of scents alone does not constitute a bait station. The bait station restriction does not apply to foods that have not been placed or gathered by an individual and result from normal environmental conditions or accepted farming, forest management, wildlife food plantings, orchard management or similar land management activities. Individuals are exempt from the bait station requirements while participating in depredation management activities directed by GFP.

- No person may establish, utilize, or maintain a bait station, as defined above, on lands owned by the department and on properties managed and classified by the department as Game Production Areas, State Parks, State Recreation Areas, State Lakeside Use Areas, State Nature Areas and State Water Access Areas.

- No one may use a dog or electronic call when hunting turkey. However, a dog on a leash can be used to track and retrieve wounded big game animals.

- From sunset to sunrise, no one may use or possess night-vision equipment or throw or cast the rays of a spotlight, headlight, or other artificial light on a highway or in a field, pasture, woodland, forest, or prairie to spot, locate, take or attempt to take or hunt an animal while having in possession or control a firearm, bow, or other implement with which game could be killed. However, (1) a person may use a hand held light while on foot, to take raccoons after they have been treed by dogs; (2) a landowner/lessee and no more than two guests accompanied by the landowner/lessee may use an artificial light and night vision equipment on the landowner/lessee's land, with a shotgun using shotshells only or a firearm using a rimfire cartridge in the taking of jackrabbits, coyotes, beaver (during season), foxes, raccoons, opossums, badgers, skunks, or rodents; (3) a landowner/lessee, 18 years of age or older, and no more than two guests accompanied by the landowner/lessee may use night vision equipment on the landowner/lessee's land, a firearm using a cartridge with a bullet diameter below .225 inches, in the taking of jackrabbits, coyotes, beaver (during season), foxes, raccoons, opossums, badgers, skunks, or rodents. Night vision equipment includes thermal imaging equipment and is an optical device utilizing light amplifying circuits that are electrical or battery powered.

- No one may possess a loaded firearm while intoxicated.

- No more than 20 persons may possess a bow and arrow, crossbow, or firearm, including a muzzleloading firearm, while cooperating as a party in hunting, except when hunting a predator/varmint. These provisions do not apply to persons carrying a concealed pistol if the person possesses a valid concealed pistol permit.

- No one may wantonly waste game, destroy a big game animal not in season, or destroy a big game animal in season and not tag and claim the animal.

- No one may sell or barter big game, except the head, hide and antlers. Legally taken velvet antlers may be sold or offered for sale if tagged by a conservation officer before sold or offered for sale.

- No one may recklessly discharge a firearm or bow.

- No one may hunt within any federal refuge, national park or monument, or state game refuge unless specific seasons have been established for these areas. (See also Land Restrictions section below.)

- No one may use or possess firearms in the Fort Meade Recreation Area, South Unit, and the signed portion of the North Unit.

### MOTOR VEHICLE RESTRICTIONS

*A motor vehicle is any self-propelled vehicle or any vehicle propelled or drawn by a self-propelled vehicle. This includes snowmobiles, motorcycles and off-road (ATV/UTV) vehicles.*

- No one may use a motor vehicle to chase, harass, intercept, pursue or disturb big game.

- No one may send or receive a message by cellular telephone or other electronic form of communications while in or on a motor vehicle for the purpose of hunting big game.

- No one who is in or on a motor vehicle, except hunters with Disabled Hunter Permits, may discharge a firearm or bow at any wild animal, except coyotes, jackrabbits, rodents, skunks, badgers, raccoons and foxes.

- No one may allow a firearm to protrude from a motor vehicle or a conveyance attached to it while the vehicle is on a public highway. However, a firearm may protrude from a stationary vehicle when shooting at coyotes, jackrabbits, rodents, skunks, badgers, raccoons and foxes.

- No one may possess a firearm while riding on or operating a snowmobile, motorcycle, or off-road vehicle unless the firearm is unloaded and completely enclosed in a carrying case. This does not apply to persons using off-road vehicles or snowmobiles on their own land or on land they lease. This section does not apply to any person who is carrying a pistol and possesses a permit to carry a concealed pistol issued.

- No person may chase, drive, harass, kill or attempt to kill any wild animal with or from a snowmobile; however, coyotes may be shot by a landowner or lessee on the landowner's property from a stationary snowmobile as long as no more than one person is aboard the snowmobile and that person is at least 18 years old.

- No one may operate motorized vehicles on lands owned, leased or controlled by GFP, except on designated motor vehicle roads and parking areas; federal Waterfowl Production Areas, except designated parking areas; or private land without permission from the owner or lessee of the land.

- Hunters planning to use U.S. Forest Service or National Grassland public lands should contact the Forest Service or Grasslands office for details on travel restrictions.

- No one may use aircraft including unmanned aircraft/drones to hunt, take, concentrate, drive, stir up, locate or spot game animals.

- No person may use a motor vehicle to hunt, fish or trap on any land under the control of the Commissioner of School and Public Lands, except for roads, trails or parking areas designated and signed by the GFP.

#### LAND RESTRICTIONS

**TRESPASS:** You may not hunt on private land or retrieve big game animals from private land without permission from the owner or lessee except in the Black Hills Fire Protection District. In that area you may not enter private land to hunt if the land is posted or if the owner or lessee has denied you entry.

- The Black Hills Forest Fire Protection District is within the following boundary: beginning at a point on the WY-SD state line at the junction of I-90 at the state line; then east and southeast along I-90 via Rapid City to the intersection of U.S. Highway 16B; then south and southwest along U.S. 16B to the intersection of SD 79; then south along SD 79 to the intersection of U.S. 18; then south along U.S. 18 to the Cheyenne River; then west and northwest along the Cheyenne River to the WY-SD state line; then north along state line to the place of beginning.

- If a person is convicted of knowingly trespassing, that person's hunting privilege shall be revoked for one year.

**TRAIL CAMERAS:** Any trail camera placed on public lands owned, leased, or controlled by the department may be attached to a tree, post, or other structure by utilizing no more than one nail, bolt, or screw. The name and address of the owner or user or the year and current applicable big game license number of the owner or user must be on the exterior of an unattended trail camera. A trail camera is a remotely activated device set to capture photos, video, sound, or other evidence of activity while the user is absent from the location.

**TREE STANDS/GROUND BLINDS/ELEVATED PLATFORMS:** Permanent tree stands and climbing devices are prohibited on lands owned, leased or controlled by GFP as well as the Fort Meade Recreation Area. Portable tree stands, portable blinds, and climbing devices that do not utilize nails, wire, or bolts for attachment are allowed from August 25 to February 15, inclusive. One screw-in "T" may be used to stabilize a tree stand. Removable screw-in steps may be used to access a tree stand. The name and address or the year and current applicable big game license number of the owner or user must be on the exterior of an unoccupied portable blind and legible from the ground on a tree stand. Other elevated platform devices that are not attached to a tree must meet the requirements of this rule for permitted dates and for labeling if left overnight or unattended. The use of nails, wires, screws, bolts, or screw-in type steps is prohibited on National Wildlife Refuges and Waterfowl Production Areas, both managed by the U.S. Fish & Wildlife Service.

**TRIBAL LAND:** State licenses are valid on private, deeded lands within the exterior boundaries of an Indian reservation. Persons planning to hunt on tribal lands should contact the appropriate tribal office.

**RESTRICTIONS IN STATE PARK AND RECREATION AREAS:** Uncased firearms, crossbows and bows are prohibited in all state parks, recreation areas, nature areas and lakeside use areas with the following exceptions:

- Uncased firearms, crossbows and bows are permitted on designated rifle and archery ranges year-round.

- Hunters licensed for the special Custer State Park hunting seasons may have uncased firearms, crossbows and bows in Custer State Park during the season for which they are licensed.

- Only shotguns using shot shells, muzzleloading shotguns, crossbows and bows are permitted in Custer State Park during the Custer State Park spring turkey season.

- Uncased firearms, crossbows, and bows are permitted from September 1 to May 21, inclusive, within the Sheps Canyon Lakeside Use Area.

- A person who possesses a valid concealed pistol permit may carry a concealed pistol at any time.

- From Oct 1 - April 30, uncased firearms, crossbows and bows are authorized for licensed hunters in all state parks, recreation areas, nature areas and lakeside use areas during established hunting seasons with the following restrictions:

- Uncased firearms, crossbows and bows are prohibited the year around in all established campgrounds, designated day use areas and at Beaver Creek Nature Area, Lake Herman State Park, Spring Creek Recreation Area, Spirit Mound Historic Prairie, Bear Butte State Park east of Hwy 79, Oahe Downstream Recreation Area except for a hunter who possesses a valid deer license for Unit WRD-58D or a valid turkey license for Unit PST-58B; and in Good Earth State Park and Adams Homestead and Nature Preserve except for a resident hunter who possesses a valid archery turkey or archery deer license and a special access permit.

- Only bows are permitted in the Big Sioux, Chief White Crane and Clay County recreation areas; the Forest Drive unit of Richmond Lake recreation area, Palisades State Park, LaFramboise Island; and the mouth of Spearfish Canyon.

- Only shotguns using shot shells, crossbows and bows are permitted in West Whitlock, West Pickerel, Mina Lake, Okobojo, Farm Island, Angostura and Cow Creek Recreation Area; and the portions of North Point State Recreation Area which are situated to the west of 381st Street and north of 297th Avenue, and situated west of 382nd Avenue and north of 297th Street, and situated south of 297th Street, and west of Prairie Dog Bay.

- Only shotguns using shot shells, crossbows and bows for the wild turkey hunting seasons and bows for archery deer and archery wild turkey seasons are permitted in that portion of Newton Hills State Park which is situated to the west of County Road 135 and north of County Road 140. Archery deer hunters must also possess a special access permit.

- From Oct 1 - Jan 31, deer hunting with a firearm, crossbow or bow is permitted in all state parks, recreation areas and nature areas and during established hunting seasons according to the provisions and restrictions stated in this section, except for LaFramboise Island nature area and Farm Island recreation area where archery deer hunting is allowed until Dec 31.

- A person who possesses a valid turkey license for Unit PST-48A is permitted to have an uncased shotgun using shotshells, a crossbow, a bow, or a muzzleloading shotgun within the boundary of Sica Hollow State Park to the eighth day before Memorial Day, inclusive.

- The discharge of firearms or bows on or across the George S. Mickelson Trail right-of-way is prohibited.

#### RESTRICTIONS ON OTHER STATE-OWNED LANDS:

- Uncased .22 caliber rimfire firearms are prohibited on all state park and recreation area lands and on the George S. Mickelson Trail year-round. However, uncased .22 caliber rimfire firearms are permitted within North Point and Oahe Downstream recreation areas year-round on rifle ranges designated by the GFP.

- Uncased firearms are prohibited on the East Pelican Lake Access in Codington County; that portion of the Beilage Game Production Area north of Christensen Drive located in Sec. 24 and 25, T6N, R2E, in Lawrence County; Hazel's Haven Fishing

Access in Moody County; that portion of the Marcotte Game Production Area in S16, T5N, R5E, in Meade County; Kelley's Cove Fishing Access Area in Yankton County; and the Hwy 38/James River Fishing Access in Davison County.

- No person may possess an uncased firearm on the New Underwood Lake Access in Pennington County except any licensed hunter while lawfully engaged in hunting.

- No person may possess an uncased firearm on the Rollings Game Production Area in Lincoln County except any licensed hunter, using a shotgun with shotshells only, while hunting small game or wild turkey and persons using the shooting range when open.

- No person may possess an uncased firearm on the Lake Henry Fishing Access in Bon Homme County except any licensed hunter, using a shotgun with shotshells only, while hunting small game or turkey.

- Only shotguns using shot shells, crossbows and bows are permitted on lands owned by the Otter Tail Power Company and leased by the department as a Game Production Area in Grant County and the Lake Andes Unit's game production areas in Charles Mix County.

- Centerfire rifles are prohibited on the Lechtenberg Game Production Area in Hand County and Cottonwood Lake Hatchery State Game Bird Refuge in Spink County.

- You may not ride or allow horses on land owned, leased or controlled by GFP except on designated bridle trails or equestrian areas. Licensed hunters may use horses during deer season on Game Production Areas adjacent to the Missouri River.

- A person licensed to hunt deer or elk, or any person assisting in the removal of legally tagged deer and elk may use horses on the Battle Mountain/Friendshuh Game Production Area in Fall River and Custer counties during established deer and elk seasons.

**GUIDING ON PUBLIC LANDS:** No person acting as a hunting guide may guide any hunting activity on state-owned or managed Game Production Areas, state parks, recreation areas, lakeside use areas, federal land leased or under agreement to SD and posted as a Game Production Area and managed for wildlife purposes, private land leased or under agreement to GFP for the purpose of providing public access, or on highways or other public rights-of-way within this state that otherwise meet the requirements except that a hunting guide or employees of a hunting guide may guide a hunting activity on the road right-of-way immediately adjacent to property owned or leased by the hunting guide. A hunting guide is defined as a person who holds himself or herself out to the public as a hunting guide and, for compensation or remuneration, directs or provides services to any person for the purpose of hunting any wild animals. Contact the respective agency for information about possible restrictions pertaining to guiding/outfitting on federal lands.

#### MISCELLANEOUS

**SHOOTING HOURS:** One-half hour before sunrise to sunset.

**INSPECTION:** Any motor vehicle, camper or trailer may be stopped for such inspection and count at the request of any uniformed law enforcement officer. You may not refuse inspection and count of game.

**FEDERAL LACY ACT:** No person may transport or ship to another state wildlife taken unlawfully in South Dakota.

**HARASSMENT:** No one may intentionally interfere with other persons lawfully engaged in taking or attempting to take game, engage in an activity specifically intended to harass or prevent the lawful taking of game, or engage in an activity to scare or disturb game with specific intent to prevent its lawful taking.

**PENALTIES:** Violations of most big game regulations are Class 1 misdemeanors, punishable by fine and/or imprisonment and mandatory loss of hunting privileges for one year. Loss of privileges may extend to all other Interstate Wildlife Violator Compact states as well. In addition to criminal penalties, a person taking or killing big game illegally may be assessed civil damages in the amount of \$200 for each turkey. If a person has taken or is in possession of more than two times the lawful daily or possession limit of a regulated wild animal, such person may be liable for twice the civil damages.

### SUNRISE - SUNSET SCHEDULE

All times are daylight savings time.

DATE	CENTRAL TIME			MOUNTAIN TIME	
	Sioux Falls Rise-Set	Huron Rise-Set	Pierre Rise-Set	Philip Rise-Set	Rapid City Rise-Set

### HOW TO TELL A GOBBLER FROM A HEN

Large size, black body and long beard are marks of the gobbler. Both gobblers and hens will respond to turkey calls so identify your target. Hens sometimes have beards, but color, size and behavior distinguish them from gobblers. Hens are smaller, brown birds, with feathered heads.
