Position: oppose

Comment:

Why would mergansers be included with ducks? I oppose.

Scott Ingle

Cavour SD

Position: support

Comment:

I would encourage the use of dogs for mountain lion hunts in the Hills. The population is growing rapidly and the current success rate is so low it would really help balance things in the long run.

Support the 29-90 Sportsman's Club Canada Geese Petition (see attached letter)

May 19, 2022

GFP Staff and Commissioners
523 E. Capitol Ave.
Pierre, SD 57501

Dear GFP Staff and Commissioners:

I support the Petition of the 29 – 90 Sportsman's Club which asks you to reconsider your vote of allowing non – residents to hunt Canada Geese in Southeast South Dakota during the Early Fall Canada Geese Season.

Sincerely,

Orlando Hofa (Chet)

Resident Pheasant Hunting has been commercialized, deer seems to be headed that way too. Please consider not letting waterfowl hunting head further that way. We as residents have to fight for it!
